Key points to remember

- In order to make an application, you **must** be registered for an Arts Council Online Services (OLS) account. If you do not have one, you can sign up for one [here](#). Please note that it can take up to **five working days** for a new user to be registered on OLS, so give yourself plenty of time to do this ahead of the deadline.

1. About Culture Night Late

1.1 Objectives and priorities of the award

Culture Night Late is designed to support events that will begin after 9pm and continue late into the night on Culture Night, Friday 20 September 2024. The award is to encourage more-

inclusive and innovative flagship late-night arts events suitable for a range of audience types. Events should attract a large diverse audience and offer audiences a greater diversity in their Culture Night experience late into the night.

The award will support

- a) local-authority- arts office identified-and-led late-night flagship events with an audience capacity of over 500 people in partnership with one or more arts centres/arts organisations/arts festivals and/or curators, **or**
- b) arts centre/arts organisation/production company /arts festival-led late-night flagship events with an audience capacity of over 500 people in partnership with the respective local authority arts office **and** other arts partners.

The scheme is rooted in the policies set out in the Arts Council's ten-year strategy (2016–25), *Making Great Art Work: Leading the Development of the Arts in Ireland* (see here: <http://www.artscouncil.ie/arts-council-strategy/>) and in the Department of Tourism, Culture, Arts, Gaeltacht, Sport and Media *Report of the Night-Time Economy Taskforce* (see here: <https://www.gov.ie/en/publication/c1ba7-report-of-the-night-time-economy-taskforce/>).

The Arts Council has identified the following as strategic priorities for support through this award:

- **Public space:** the importance of accessible shared places and spaces and how these are or can be used for the wider engagement of the public through the arts – e.g. outdoor spaces (parks, streets, town squares) and public buildings/spaces not ordinarily used for the arts with due consideration for permissions and noise curfews as they apply locally
- **Artistic excellence:** high-quality, ambitious and collaborative approach for excellent arts activities in any or multiple artforms or practices
- **Partnership:** i.e. identifying relevant arts and public partners that can support the delivery of a Culture Night Late event
- **Public engagement and inclusion:** i.e. have core considerations around access, equality, diversity and inclusion as per the Arts Council's Equality, Diversity and Inclusion policy and which address the challenges outlined in pages 12–13 of the *Report of the Night-Time Economy Taskforce*
- **Supporting artists:** ensuring best practice in payment of artists as per Paying the Artist policy and ensuring due consideration is given to working with artists with disabilities
- **Financial support:** the level of cash and/or in-kind investment by the supporting partner(s). This must be a minimum of 40% of the event's total costs.
- **Open and free to the public:** events must be free to the public, with ticketing or pre-booking arrangements in place as appropriate
- **Commencing at 9.00pm** or later and continuing late into the night with due consideration for licensed opening hours, permissions, noise curfews, etc. as they apply locally.

- In partnerships where more than one applicant qualifies to be lead applicant, the identification of the lead applicant is at the discretion of the partners.
- All applications must involve a local-authority Arts Office, which are the local coordinators of Culture Night. Other potential partners include arts centres, arts organisations, arts festivals, artists, non-arts groups/organisations/production companies /agencies etc.
- Non-arts organisations could be considered partners in a project on condition that the project involves two or more arts partners.
- The applicant is the organisation that will receive any grant offered and which will be required to accept the terms and conditions of the grant.
- The grant will be paid only into a bank account held in the name of the lead applicant.
- All documentation provided must be in the name of the lead applicant.

As part of its [Equality, Diversity and Inclusion Policy](#), the Arts Council is committed to offering **equality of access, opportunity and outcomes** to all potential applicants regardless of their gender, sexual orientation, civil or family status, religion, age, disability, race or membership of the Traveller community, or socio-economic background. In this funding scheme the Arts Council particularly welcomes applications that are representative of the diversity of Irish society, including but not limited to any of the characteristics outlined above, and/or initiatives that deliver equitable opportunities or outcomes for those involved.

1.3 Who cannot apply?

This scheme is only open to local-authority arts office or arts centres/arts organisations/arts festivals/production companies in the Republic of Ireland, including Ealaín na Gaeltachta. An organisation or individual who does not fit into this category is not eligible to apply as lead applicant.

1.4 What may you apply for?

Your application must be for an innovative large scale event that will take place on Culture Night 2024.

The maximum you can apply for is €12,500

The award will cover 60% of costs, and the remainder (at least 40%) should be matched by the applicant/project partners. 25% of matched income can be support in kind.

The award will cover artists' fees, curatorial fees, production fees and costs (this can include the hire or creation of temporary structures), technical costs and security. The award will not cover fixed capital costs or assets.

In addition to the normal limits stated above, the Arts Council will also consider costs specifically relating to the making of work by artists with disabilities. If you wish to apply for additional funding on this basis, you should provide information with your application outlining these additional costs.

Access costs for artists or participants¹ with disabilities

In addition to the maximum amount permitted, the Arts Council will also consider access costs specifically relating to the making of work by artists or participants with disabilities and/or non-capital public-access costs (e.g. audio description, interpretation) in cases where your proposal has a public outcome.

The Arts Council takes the definition of disability from the UN Convention on the Rights of Persons with Disabilities, which states: 'Persons with disabilities include those who have long-term physical, mental, intellectual or sensory impairments which, in interaction with various barriers, may hinder their full and effective participation in society on an equal basis with others.'

If you wish to apply for access costs, please upload the following information with your application:

- A short document outlining your additional access costs
- An amount for access costs in the expenditure section of your application-form budget. This figure should also be included in the total amount you request.

What is an access cost?

Access costs for artists or participants with disabilities cover any requirements you may have in order to remove barriers that might stop you from completing your proposal. This may include, for example, costs towards additional time needed to complete an element of your proposal or additional assistance required to deliver your proposed activity.

Note: in the event that you are requesting access costs, you should include information about the costs and how you arrived at them as part of your supporting documentation (see section 1.6 below).

How much funding should you apply for?

The maximum amount you may request is 60%, this is the difference between the **proposed expenditure** and the **proposed income (40%)** you indicate in the budget.

¹ The Arts Council defines participants as those who express themselves creatively by taking part in artistic activities. In broader terms, this includes anyone who engages with the arts in any way at any level – e.g. those attending an event, reading a book, watching a performance, etc.

Culture Night Late: Guidelines for Applicants

- Proposed expenditure should include all fees, * wages, technical costs, promotion and publicity costs, administrative costs, etc.
- Proposed income should include what you expect to receive from other funders, sponsors or benefit in kind.
- In applying for Culture Night Late, you are required to submit a detailed budget listing all items of income and expenditure relating to your proposal.

It is also important to reflect all in-kind** support in both income and expenditure, so reflecting the full and true value of your proposal.

*** Note on artists' pay** The Arts Council is committed to improving the pay and conditions of artists. We have published a [policy](#) on the fair and equitable remuneration and contracting of artists. It is important that you read this policy in advance of making your application. You will be asked as part of the application process to set out how you will ensure proper pay and conditions for the artists you work with. This will help us assess the feasibility of your application.

**** Note on in-kind support** If you expect to receive in-kind support, you need to put a financial value on it so that the contribution it makes to the real value of your proposal is clear. You should think of in-kind support both as expenditure and as income: whatever amount you declare on the expenditure side you should also declare on the income side.

Time contributed by directors or board members may not be reckoned as an in-kind cost.

You are asked to indicate income, expenditure and amount requested at three stages during your application:

- In the detailed budget that you submit as part of your application
- Online, when you initiate the application (totals only)
- In section 3 of the application form.

Make sure that the totals are the same in all three; and make sure that the amount requested equals TOTAL EXPENDITURE minus TOTAL INCOME.

1.5 What may you not apply for?

You may not apply for more than one award (in any artform/arts practice) in any one round of funding. Activities and costs that you may not apply for include the following:

- Major capital purchases or investment into fixed capital expenditure or assets
- Ongoing core costs; however, project-management costs as they relate to the delivery of the proposal are eligible
- Activities or costs that do not fit the purpose of the award
- Activities that are more suited to another award funded by the Arts Council or operated by other state agencies, such as Culture Ireland
- Activities that have already taken place
- Activities undertaken for charity-fundraising purposes, for participation in a competition, or for primarily profit-making purposes
- Activities that have already been assessed by the Arts Council, unless you demonstrate that you have developed the proposal since previously applying **or** if the Council has

specifically advised you to redirect your application to this award. Please bear in mind that such advice is not an indication of a successful outcome.

1.6 What supporting material must you submit with your application?

Supporting material means material that is **separate from** and **additional to** your application form. This helps the person assessing your application to get a clearer understanding of your proposal. Please read very carefully the following list of required supporting material as failure to comply with this is the most common reason for applications being deemed ineligible.

You **must** submit the following supporting material online:

- A statement/letter of support from each participating partner/performer outlining their permissions, objectives, expectations and commitment in relation to the project – see ‘Acceptable file formats’ under section **2.3 Prepare any supporting material required for the application**
- Detailed up-to-date CVs or profiles for all the artists involved in the proposed project (if known at the time of the application)
- Examples of any previous large-scale productions/presentations by relevant partner organisations
- Evidence of other financial support, including benefit in kind, or sponsorship identified in the project budget – e.g. a memorandum of understanding, a letter of offer, a statement of support, or a similar document
- Health-and-safety compliance/guidelines or draft event-management plan showing that the programme of work can take place safely at the time of the event.

Note: links to streaming platforms may be used to provide samples of work. Standalone supporting material such as CVs and letters of support etc. must be uploaded as separate documents with your application.

Additional material required in certain circumstances

- If you are seeking additional access costs to support work by individuals with access requirements or to support access to your work by audiences with disability requirements, please provide a document outlining these costs and how they have been arrived at. Please also ensure that you include this additional amount as part of your budget.
- If your proposal involves working with animals, you must provide a copy of your *Animal Welfare Protection Policies and Procedures*.

For applications involving children and young people under the age of eighteen

The Arts Council requires all individuals and organisations providing services (e.g. cultural, recreational, educational) to children and young people under the age of eighteen to have suitable child-protection policies and procedures in place. When making an application, you **must** indicate in section 1 of the application form whether or not your proposal is relevant to this age group.

- If you answer 'Yes' to this question in the application form and your application is successful, as a condition of funding you will be required to confirm and demonstrate that you have suitable child-protection policies and procedures in place.
- If successful, you will be required to complete the Arts Council's Child Protection and Welfare Quality Assurance Self-audit at <https://childprotection.artscouncil.ie/>. Please visit www.tusla.ie for more information on Children First.
- You will also be required to update your details in the Profile Information tab in your Online Services account (do this by going to the 'Update your account' section).

For applications involving vulnerable adults

When making an application, you **must** indicate in section 1 of the application form whether or not your proposal involves work with or for vulnerable persons. By ticking the Yes box, you are indicating that you will work with, or present work to, this cohort as part of your proposal, and that you acknowledge that you have familiarised yourself with and adhere to the *National Policy & Procedures on Safeguarding Vulnerable Persons at Risk of Abuse** (see [here](#)).

* Please note that you may be asked to provide more evidence of adherence to these policies should your application be successful.

If you do not submit the required supporting material, your application will be deemed ineligible.

1.7 Eligibility

Your application will be deemed **ineligible**, and will not go any further in the process, if any of the following is true:

1. You miss the application deadline.
2. You do not submit a completed application form through Online Services (an application form attached as a supporting document will not be accepted).
3. You fail to complete all of the sections in the application form relevant to your proposal.
4. You cannot apply as set out in sections 1.2 to 1.3 above.
5. You apply for an amount of funding greater than the maximum amount allowed for within the award to which you are applying, as set out in section 1.4 above.
6. You apply for an activity or purpose that you cannot apply for, as set out in section 1.5 above (except where you are applying for an additional amount to cover access costs).
7. You fail to provide all mandatory supporting materials, as set out in section 1.6 above.
8. Your application is better suited to another funding programme offered by the Arts Council or by another funding agency (in this case we will redirect you to the more appropriate funding opportunity).

Note: in the event that your application is ruled ineligible, it will not be assessed, and you will be able to apply again with the same proposal in future funding rounds.

Deadline: 5.30pm, Thursday 7 March 2024

2. How to make your application

2.1 Register with the Arts Council's Online Services

All applications must be made through the Arts Council's Online Services; applications made in any other way (by post, fax or email) will not be accepted.

You must have an Online Services account to make an application. If you do not already have an Online Services account, sign up by filling out the registration form here:

<https://onlineservices.artscouncil.ie/register.aspx>.

Within five working days you will be emailed a unique ARN (Artist Reference Number) and password that you can use to sign in to Online Services.

Requirements for using Online Services

Note: You will need to use a computer/laptop to submit your application. Our Online Services website does not work on phones or tablets.

Your computer and Internet browser will need to meet the following requirements to use Online Services successfully:

PC Windows 7 operating system or a newer version of Windows *with* browser versions: Microsoft Edge (v.94) or Firefox (v.27) or Chrome (v.33), or a newer version of any of these browsers.

Mac Mac OS X v10.5 Leopard or a newer version of Mac operating system *with* browser versions: Safari (v.3.1) or Firefox (v.27) or Chrome (v.32) or Microsoft Edge (v.94), or a newer version of any of these browsers.

Note: if Safari 11 prevents the upload of documents, use a newer version of Safari or use a different browser such as Firefox, Chrome or Microsoft Edge.

Note: you will also need to have Microsoft Word or OpenOffice Writer installed to complete the application form itself. OpenOffice Writer is free software that can be downloaded here: <https://www.openoffice.org>.

OpenOffice Users

Please refer to our video *Using OpenOffice to download, complete and upload the application form* at <https://www.youtube.com/watch?v=iT9XxgmgoEo>

You **must** use OpenOffice Writer version 4.0.1 or earlier. More recent versions of OpenOffice Writer than 4.0.1 have changed how our application forms appear when they are submitted through Online Services.

Important notes for Apple Mac users

- Note the section in the YouTube video (at 1 min. 20 secs; link provided above) that deals with the issue of downloading version 4.0.1 on Macs with the operating system Mac OS Mojave or an earlier version installed.
- You cannot download OpenOffice 4.0.1 onto a Mac with the operating system Mac OS Catalina. If your Mac has this operating system or a newer version installed, you will have to download and use OpenOffice version 4.1.9 or newer.

If you cannot meet, or do not understand, any of these requirements, please contact us for advice as far as possible in advance of the deadline.

Give yourself enough time to complete the application

You should become familiar with the Online Services website well in advance of the deadline and in advance of preparing an application. It is likely that there will be heavy traffic on the site on the final afternoon of the closing date. You should prepare your application and submit it well in advance of the deadline.

Upload times can be much longer than download times. It may take longer than you think to upload your supporting materials.

Getting technical support

If you need technical support while making an online application, you can contact the Arts Council by emailing onlineservices@artscouncil.ie or by phoning 01 6180200/01 6180243. We recommend you report any technical issues with us well in advance of the deadline. Please provide a contact phone number and make sure that you are available to receive a return call from us.

We deal with queries on a first-come first-served basis.

Please note that there is often a high volume of calls as the deadline approaches and that technical-support calls received after 2.00pm on the closing date may not be resolved before the deadline.

2.2 Fill in the application form

If you have not already done so, download the application form for the award you wish to apply for. The application form is a Microsoft Word/OpenOffice Writer document that you fill in offline (on your own computer). The application form includes guidance on how to fill in each of its sections.

Note: the application form is formatted in such a way that the Arts Council can extract information from the form for assessment purposes. It is **very important** that you type inside the grey boxes in the form, and that you do not delete them and/or type outside them. If you do this, the form will not upload properly.

2.3 Prepare any supporting material required for the application

You are required to include supporting material with your application. For example, this might include a CV or samples of your current work – e.g. text, video, images or sound recordings (see section **1.6 What supporting material must you submit with your application?**).

You must submit all such supporting material online – if necessary, you should scan or save material in electronic format.

Acceptable file formats

The following table lists file formats for your supporting material.

File type	File extension
text files	.rtf/.doc/.docx/.txt
image files	.jpg/.gif/.tiff/.png
sound files	.wav/.mp3/.m4a
video files	.avi/.mov/.mp4
spreadsheets	.xls/.xlsx
Adobe Acrobat Reader files	.pdf

For convenience, gather together all the files you need in an accessible location on your computer.

Submitting URL links

Note: links to streaming platforms may be used to provide samples of work. Stand-alone supporting material such as CVs and letters of support, etc. must be uploaded as separate documents with your application.

Instead of uploading material directly, you may provide links to material hosted on streaming platforms that do not limit access through financial subscription. To do this, copy the URL (the full address of where your material is hosted) into a Microsoft Word/OpenOffice Writer or a PDF document and upload it as a weblink-supporting document.

While not an exclusive list, examples of acceptable sharing platforms would be YouTube, Vimeo, SoundCloud, Bandcamp.

Please note that we will not accept links to the following sources:

- File-sharing sites – e.g. Google Drive, OneDrive
- Social-media platforms – e.g. Meta, Instagram
- Your personal website

Note: assessors will only view materials in the URL links that you provide. It is important that you check that any links in the document work and that they bring the viewer to the correct source to be able to access and view your supporting material.

Please do not flag your material as ‘private’ as it will not be accessible for the assessment. Change the settings on your video to ‘unlisted’ if you do not wish the application supporting material on your YouTube channel to be publicly viewable.

Naming files appropriately

Give all files that you intend to upload filenames that make it clear what they contain or represent – i.e. it should be clear from the filename whether the document is a CV, a sample text, or a review of previous work.

Please submit supporting documents in separate, appropriately named files.

Good filenames for an applicant called Jack Russell	russelljack Architecture Project application.doc
	russelljack performance clip.mp4
	russelljack Architecture Project budget template round 2.xls
	russelljack youtube link.doc

The total combined limit for all supporting material uploaded with a single application is **40MB**.

2.4 Make your application online

To make your application online, you go through four main stages. Click **Save draft** at the end of each stage. You can return to your application and revise it at any time before you finally submit it.

2.4.1 Choose a funding programme and download application form

To start a new application, click the **Make an application** button on your home page, and follow the prompts to choose the funding programme you wish to apply for and to give your application a unique reference by which to identify it. At this stage you can also download the application form (if you have not already done so).

2.4.2 Request funding amount

At this stage specify the expenditure and income related to your proposal, and the amount of funding you are requesting. The **Amount requested** should equal the **Total expenditure** minus the **Total income**. The final figures you enter here should be the same as those you enter in section 3 of the application form and in your detailed budget.

2.4.3 Upload application form and supporting material

Follow the prompts to upload your completed application form, CV or CVs, detailed budget and any other required supporting material (see section **1.6 What supporting material must you submit with your application?**). You do not have to upload everything at the same time. You can save your application as a draft and come back to it later.

Note: if you have completed your application form as a **.docx** file, and you are confident that your application form is filled in correctly (including typing inside the grey fields) but Online Services displays a message saying 'Cannot upload form', please try saving it as a **.doc** file and uploading it again.

2.4.4 Submit application

When you are satisfied that you have uploaded everything you need to support your application and ticked the declaration, click **Submit**.

Once submitted, your application cannot be amended. Do not submit your application until you are completely satisfied.

You should receive two emails. The first will be issued immediately your application is received by the Arts Council. The second may arrive a few minutes later and will contain your application number, which will be used in all correspondence relating to this application. **Note:** it is important that you contact onlineservices@artscouncil.ie if you **do not** receive the second confirmation email containing the application number.

3. Processing and assessment of applications

3.1 Overview

The Arts Council considers all applications, makes decisions and communicates these to applicants in accordance with set procedures. The aim is to ensure that the system for making awards is fair and transparent.

3.2 The assessment process

All applications received are processed by the Arts Council as follows:

-
- 1 After you submit your application, you should receive two emails:
 - The first will be sent immediately and will acknowledge your application.
 - The second should arrive a few minutes later. It will contain your application number, which we will use in all correspondence about your application.

Note: these emails only mean that our online system recognises that you have submitted an application. They do not mean that your application is eligible for funding.

If you do not receive the email with your application number, contact onlineservices@artscouncil.ie

-
- 2 Your application is checked for eligibility. Please see section **1.7 Eligibility** above.
 - 3 In some cases, the arts area to which you have applied may not be the best fit for your proposal. In such a case, we will contact you and ask you if you are happy for us to move your application to a more appropriate arts team. You will then have a choice to have your application moved or for it to remain under the arts area to which you applied.
 - 4 Adviser(s) and/or staff recommend an application as shortlisted or not shortlisted.
 - 5 A peer panel reviews all shortlisted applications and associated materials, then scores and makes decisions.
 - 6 Decisions are communicated in writing to applicants.
 - 7 Decisions are noted by Council.
-

Time frame

The Arts Council endeavours to assess applications as quickly as possible, but the volume of applications and the rigorous assessment process means that it may take up to twelve weeks from closing date to decision.

3.3 Criteria for the assessment of applications

Applications are assessed in a competitive context and with consideration of the application form and the supporting materials submitted. All applications are assessed against criteria of **a)** artistic merit, **b)** how they meet the objectives and priorities of the award, and **c)** feasibility. Each of these criteria is described in turn.

While applicants may select other artforms/arts practices as being relevant to their application, the application will be assessed by the team responsible for the chosen primary artform, and which may, in certain instances, ask for a secondary assessment from another team.

Artistic merit

The assessment of artistic merit focuses on the applicant and on those involved in the project, as well as on the nature of the proposed arts activity, and includes consideration of:

- The quality of the idea and the proposed arts activity
- The track record of the applicant and the artistic personnel involved in the project, as evidenced in their CVs and other supporting material submitted
- The potential of the applicant and the artistic personnel, as evidenced in the application form and the supporting materials submitted
- The ambition, originality and competency demonstrated in the proposal
- How the application demonstrates innovation, experimentation and collaboration in the context of the night-time economy
- The artform/arts-practice context in which the activity is proposed.

Meeting the objectives and priorities of the award

Applications are assessed on how well they meet the objectives and priorities of the award (see section **1.1 Objectives and priorities of the award**).

Feasibility

The assessment of feasibility considers the extent to which the applicant demonstrates capacity to deliver the proposed activity. This includes consideration of:

- The track record of personnel involved in managing, administering and delivering the project
- The extent to which the applicant demonstrates the provision of equitable conditions and remuneration for participating artists
- The extent of involvement or commitment of identified project partners
- The proposed budget
- Other sources of income
- The availability of, and access to, other resources
- The proposed timetable or schedule.

3.4 Peer panels

The purpose of peer-panel meetings is to allow for a diversity of expert views to inform the decision-making process. Peer panels normally consist of at least three external adjudicators with relevant artform and/or arts-practice expertise.

Each meeting is usually led by an Arts Council member acting as non-voting chair. Arts Council advisers and staff attend as required, and those involved in the initial assessment of applications are on hand to provide information as required. Panellists have access to all shortlisted applications and associated materials prior to the day of the meeting, at which point they review, discuss and score shortlisted applications. Following this, applications are ranked by score. In light of the competitive context and the available budget, it is likely that the Arts Council will be able to fund only a proportion of the applications received.

Scoring process

The panel is asked to score applications according to the following system:

- **A – Must Fund (10 points):** this means that, in the view of the panel member, the application is deemed to have fully met the criteria for the award and merits funding on that basis, to the amount requested where possible.

- **B – Should Fund (8 points):** this means that, in the view of the panel member, the application is deemed to have met the criteria to an extent sufficient to merit funding should resources allow.
- **C – Could Fund (5 points):** this means that, in the view of the panel member, the application is deemed to have met the criteria, but to a lesser extent within the competitive context than other applications.
- **D – Not a Priority (2 points):** this means that, in the view of the panel member, the application is deemed to have not met the criteria to an extent sufficient to merit funding.

Declaration of interest

In order to ensure fairness and equity in decision-making, a panel member must declare an interest where they have a close personal or professional link with the applicant or are linked in any way with the application. An 'interest' is either 'pecuniary' or 'non-pecuniary' (e.g. familial relationships, personal partnerships, or formal or informal business partnerships, etc.).

The interest must be declared as soon as the panellist becomes aware of it. This may be at the point when s/he is approached to sit on the panel (if the 'interest' is known at that stage) or following receipt of the list of applicants. Where an interest is declared, the panellist will not receive papers relating to that applicant and will be required to leave the room when the specific application is being reviewed. Where this situation arises, the chair will vote in lieu of the panellist.

In some instances a panellist may not realise that a conflict of interest exists until s/he receives and reviews the panel papers. In such instances the panellist must alert an Arts Council staff member or the panel chair as soon as they become aware that a conflict may exist.

In the event of two panellists declaring a conflict of interest for the same application, the chair will be part of the decision-making process for that specific application.

If the nominated panel chair has a conflict of interest s/he must declare it in writing in advance of the meeting as soon as s/he becomes aware of it. In this instance the head of team will chair the discussion on the conflicted application.

3.5 Outcome of applications

All applicants are informed in writing about the outcome of their application.

If your application is successful, you will be sent a letter of offer detailing the amount of funding you have been awarded and the terms and conditions of the award. You will also be told how to go about drawing down your award.

The Arts Council receives a large volume of applications, and demand for funding always exceeds the available resources. If your application is not successful, you can request feedback from Arts Council staff. Eligibility and compliance with application procedures alone do not guarantee receipt of an award.

Unsuccessful applicants are not eligible to apply for another Arts Council award to undertake the same activity. If the Arts Council feels that the proposed activity would have been better suited to a different award programme, an exception may be made. In such circumstances you will be informed in writing.

Appeals

Applicants may appeal against a funding decision on the basis of an alleged infringement or unfair application of, or deviation from, the Arts Council's published procedures. If you feel that the Arts Council's procedures have not been followed, please see the appeals process at http://www.artscouncil.ie/en/fundInfo/funding_appeals.aspx or contact the Arts Council for a copy of the appeals-process information sheet.
