## 1. What you need to know about Strategic Funding

---

In this section we tell you about Strategic Funding. It will help you decide whether or not your organisation might qualify for Strategic Funding.

### 1.1. What is the purpose of Strategic Funding?

The purpose of Strategic Funding is to invest in and support the organisations needed to lead, sustain and develop the arts in Ireland.

Organisations that receive Strategic Funding must play a critical part in delivering the policy priorities of Making Great Art Work, the Arts Council's ten-year strategy.

### 1.2. What are the aims and objectives of Strategic Funding?

In offering Strategic Funding to organisations, the Arts Council wishes to ensure:

- The delivery of excellent artwork and/or events, activities and services
- Excellent opportunities for artists and/or arts professionals to develop their practice and/or to create or to be engaged in high-quality work
- That the diversity of contemporary Ireland is reflected in the work we support
- That more people will enjoy high-quality arts experiences
- Increased depth of engagement by and with the public
- Excellent standards in governance and management in the arts.

### 1.3. Who is eligible for the Strategic Funding programme?

Strategic Funding is only open to organisations. You can make only one application each year for Strategic Funding.

To be eligible for Strategic Funding, your organisation must:

- Be formally constituted as either a Company Limited by Guarantee (CLG) or a Designated Activity Company (DAC) or a statutory body<sup>1</sup>
- Apply in its own name, and not in the name of another company or individual
- Have previously successfully applied for Arts Council funding either in the name of your organisation or in the name of a key person involved in the organisation.

### 1.4. Who is not eligible for the Strategic Funding programme?

- Organisations that have already applied for funding through Arts Grant Funding 2024 or the Festival Investment Scheme 2024
- Members of the Council of National Cultural Institutions (CNCI) directly funded by the Department of Tourism, Culture, Arts, Gaeltacht, Sport and Media.

---

<sup>1</sup> Organisations not formally constituted as either a CLG or DAC may apply on the understanding that they will commit to formally incorporating in this way should their application for Strategic Funding be successful.

If this is the first time your organisation has applied for Strategic Funding, you must discuss this with the relevant arts team before applying. Applications received from organisations that have not contacted the relevant arts team will be considered ineligible.

Organisations that fail to meet the eligibility criteria will not be assessed and will not receive Strategic Funding.

### 1.5. How has Strategic Funding changed?

- We always aim to improve our funding programmes, and here we tell you about the changes we have made over recent funding rounds. The Arts Council is committed to working in partnership with artists and organisations to understand, grow and support good practice in this area.
- The Arts Council will be publishing our Climate Action and Environmental Policy later in 2023. Organisations awarded Strategic Funding for 2024 will be required to develop their environmental commitment and reporting during 2024. To support organisations in this process, we will offer training and other resources in early 2024. Having an organisational climate policy that demonstrates environmental commitment and reporting will become a condition of funding in 2025.
- We have responded to feedback from applicants and our Council in the previous rounds by:
  - Asking you to tell us more about your longer-term vision or strategy behind your proposed activities for 2024 (question 1.3)
  - Encouraging you to use examples of the work you do to help to demonstrate your recent achievements
  - We have given you links to additional resources to help you when thinking about the questions on how you involve children and young people in your decision-making.

### 1.6. What types of activities will be supported through Strategic Funding?

Strategic Funding is intended to support both the operating (core) costs of organisations and the activities that your organisation undertakes to deliver your mission.

#### **Work in an international context**

We do not support costs that are directly related to the touring and dissemination of work abroad. Activities involving international exchange, collaboration or co-production are eligible provided they clearly show the benefit to people, artists or the arts in the Republic of Ireland and that the overseas partners will contribute to the relevant activity costs. **Note:** organisations applying for Strategic Funding for 2024 **should also** include activities that were previously supported through separate funding schemes – e.g.

- Touring of work scheme

- Capacity-building support scheme
- Residencies (excluding the International Residency Scheme)
- Commissions
- Artist-development initiatives
- Young ensembles.

### 1.7. What supporting material is required to make an application?

In order to be eligible, you must upload mandatory supporting material as part of your application. These are in addition to, and separate from, your application form. If you do not provide all the required supporting material, your application will not be eligible for funding.

#### **Mandatory supporting materials for applicants currently in receipt of Strategic Funding**

- A completed Actual Arts Activity Report (A-AAR) for 2022.
- Your audited accounts for your most recent financial year.

If you have already supplied this information to the Arts Council, you do not need to do so again.

#### **Mandatory supporting materials for all applicants**

- A completed Arts Activity Report (AAR) template that includes activities for 2023 (year to date and projected to year end) **and** planned activities for 2024 (see sections **3.3** and **3.5** in these guidelines for more information). The AAR template can be downloaded from the funding page on OLS.
- Copies of your organisation's management accounts for 2023 and 2024. These should show your financial performance to date for 2023 (including projections for the remainder of the year) and your forecast for 2024, each provided in the same format. If audited accounts are available for 2023, please include these.
- **Detailed** budgets relating to your planned activities. These are in **addition** to the information in the AAR template. For these, you have the option to use the activity budget template provided by the Arts Council. Note that these budgets **must** clearly set out fees to artists and other freelance arts professionals.

#### **Mandatory supporting materials in specific cases:**

You **must** upload the following in support of your application

- Evidence of any confirmed financial support, sponsorship or partnership from other organisations or entities that you refer to within your application
- Evidence of any confirmed memorandums of understanding (MOUs), financial or partnership agreements that you have in place around touring, co-productions or other activities involving third parties that you refer to in your application
- If your proposal involves working with vulnerable people, you must submit an acknowledgement that you adhere to the *National Policy and Procedures on Safeguarding Vulnerable Persons at Risk of Abuse* ([see here](#))

- If your proposal involves working with animals, you must provide a copy of your *Animal Welfare Protection Policies and Procedures*

The Arts Council requires all individuals and organisations providing services (e.g. cultural, recreational and educational) to children and young people under the age of eighteen to have suitable child-protection policies and procedures in place. When making an application, you must indicate whether or not your proposal is relevant to this age group (in section 1.3 of the application form). If you answer 'Yes' to this question in the application form and your application is successful, you will be required to confirm and demonstrate that you have suitable child-protection policies and procedures in place as a condition of funding.. Please see [www.tusla.ie](http://www.tusla.ie) for more information.

We will **not** review or assess any supporting material that you upload that is not listed above.

All supporting material must be uploaded as part of your application by no later than the deadline date. Failure to observe this may lead to disqualification and may impact on your overall assessment score.

## 2. How we assess and score your application

---

We will base our assessment of your application on the following criteria:

1. Artistic quality and development of the arts.
2. Engagement.
3. Organisational capacity.
4. The extent to which the organisation is critical to the arts infrastructure
5. Equality, diversity and inclusion.

Assessors will consider applications using their professional judgement, based on the information you provide within the application, their knowledge of the **previous** work of your organisation and of the wider arts landscape, and the competitive context in which all applications are evaluated.

Your application will be assessed and given a brief comment and a single score for each of the five criteria.

### 2.1 Criterion 1: Artistic quality and development of the arts

We will take account of the artform or arts practice context for your proposal. We will assess the track record of your organisation and the potential for the outcomes of your proposal to achieve:

- Excellent artwork and/or events, activities or services and/or
- Excellent opportunities for artists and/or arts professionals to develop their practice and/or to create or to be engaged in high-quality work.

Where it is relevant to your proposal, we will consider the extent to which any international partnerships are contributing to artistic quality and development of the arts in Ireland.<sup>2</sup> The Arts Council is primarily focused on the development of artists, arts practice and the creation of projects with an international dimension, rather than on the presentation of work abroad. Strategic Funding may not be used to support international touring or presentation costs for audiences outside the Republic of Ireland. However, we recognise that many artists and organisations work in an international context, and costs associated with developing arts practice abroad or initiating and creating projects with international partners may be included.

### 2.2 Criterion 2: Engagement

In the context of assessing applications for funding, the Arts Council intends the term 'Engagement' to mean the quality of interaction that your organisation has with the individuals it works with and/or the people it serves.

We recognise that arts organisations work in different ways and attend to the needs of different groups of people, participants and collaborators, audiences, volunteers and artists

---

<sup>2</sup> Please see the [Arts Council's International Policy](#).

or other arts practitioners. Because of this and taking into account your organisation type, we will evaluate your application based on:

- Your track record in engagement
- Your planned actions and measurable outcomes to deliver engagement
- The opportunities you provide for children and young people to participate in the arts, and how you involve them in your decision-making where children and young people are your primary target group or among the main groups you serve.

We will also assess how you plan to evaluate your activities and outcomes.

**Note:** if your organisation does not engage with the public directly, you should tell us about your engagement with artists or other arts professionals and arts organisations you collaborate with or serve.

### **Need further guidance on engagement?**

Additional guidance on completing this section of the application form is available on our website at <http://www.artscouncil.ie/public-engagement>

Organisations looking for guidance about how they can include young people in decision-making may find this framework helpful: <https://hubnanog.ie/participation-framework/>

## **2.3 Criterion 3: Organisational capacity**

- Under this criterion, we will assess the track record of your organisation and the potential for your proposals to achieve excellent standards in governance and management in the arts. The track record, relevance and suitability of the skill set of your board and management and any planned developments for 2024
- Your approach to ensuring fair pay and conditions for artists\*
- The financial resilience of the organisation, including financial controls, financial planning and any planned developments for 2024
- Your approach to fundraising and generating income from sources other than the Arts Council to strengthen the resilience of the organisation
- The quality and benefits of any partnerships you describe that help you to achieve your objectives and to further the mission of your organisation
- The financial information you provide.

---

**\* Note on artists' pay** The Arts Council is committed to improving the pay and conditions of artists. We have published a [policy](#) on the fair and equitable remuneration and contracting of artists. We expect that you read this policy in advance of making your application and that the principles set out in the policy inform your organisations approach to paying artists. You will be asked as part of the application process to set out how you will ensure proper pay and conditions for the artists that you work with. This will help us assess the feasibility of your application

---

## 2.4 Criterion 4: The extent to which the organisation is critical to the arts infrastructure

Having assessed and scored applications against the criteria above, we will then score applicants based on the extent to which we consider them essential to the strategic development of the arts within their particular artform or arts practice area.

How we evaluate this will vary according to:

- The artform or arts practice context in which your organisation operates
- Your organisation type
- The kind of work your organisation does
- The community or people your organisation serves
- The local and/or national context in which your organisation operates
- The need to ensure that an appropriate range and balance of work is supported by the Arts Council's Strategic Funding programme.

This will be informed by the Arts Council's overall ten-year strategy, *Making Great Art Work*, and by artform and arts practice and corporate policies.

## 2.5 Criterion 5: Equality, diversity and inclusion

Under section 42 of the Irish Human Rights and Equality Act 2014, the Arts Council has a positive legal duty<sup>3</sup> to have regard to the need to eliminate discrimination, promote equality and protect the human rights of staff and persons who avail of its services. In accordance with this duty, we require organisations in receipt of Strategic and Arts Centre Funding to uphold that duty and to take positive steps to ensure equality of access and opportunity in their operations and in the services they deliver. The Arts Council's Equality, Diversity and Inclusion Policy<sup>4</sup> covers ten grounds for discrimination. These are: gender, sexual orientation, civil status, family status, religion, age, disability, race, membership of the Traveller community and socio-economic status.

We will assess how much your application demonstrates that you have taken positive steps to ensure equality of access, opportunity and outcomes for those you work with and in the activities and actions you deliver.

If you are offered Strategic Funding, you are required to have a published, publicly available equality, diversity and inclusion policy in place.

We have produced a toolkit to help you: [Equality, Diversity and Inclusion Toolkit | The Arts Council | An Chomhairle Ealaíon](#)

---

<sup>3</sup> Irish Human Rights and Equality Commission, 'Public Sector Equality and Human Rights Duty', <https://www.ihrec.ie/our-work/public-sector-duty/>

<sup>4</sup> Please refer to the Arts Council's [Equality, Diversity and Inclusion Policy](#).

**Note:** if you do not have a published, publicly available equality, diversity and inclusion policy in place, please be aware that:

- By 2024, all Strategically Funded organisations should have a published, publicly available EDI policy with key actions, as detailed in the Equality, Diversity and Inclusion Toolkit
- If you do not have a published, publicly available EDI policy with key actions, it will be a condition of your funding to have this in place by no later than 30 June 2024
- By 2025, all Strategically Funded organisations should have a full, published, publicly available EDI action plan to support their EDI policies
- If you do not have a published, publicly available EDI action plan, it will be a condition of your funding to have this in place no later than 30 June 2025.

Failure to comply with these EDI requirements will impact negatively on your EDI score in future, which will impact on your overall score.

**Note:** the Arts Council will consider additional access costs that are clearly related to supporting artists with disabilities and improving accessibility for audiences, participants and volunteers with disabilities.

Under this criterion, we will consider:

- How much your application demonstrates an awareness and understanding of equality, diversity and inclusion (EDI) issues (e.g. identified inequalities, under-representation, lack of accessibility) as they relate to your organisation and its work
- The quality and appropriateness of any planned activities and commitments to support your organisation to become more inclusive
- If the resources allocated to any relevant planned activities are appropriate
- If there is specific provision identified for ensuring accessibility to services<sup>5</sup>
- If there is evidence of board (or equivalent) ownership of and commitment to your EDI plans
- How much the application demonstrates access to relevant expertise, insight or peer support to develop any planned policies or deliver planned activities
- Any particular contribution that the organisation makes to the wider ecology with respect to the Arts Council's ambitions for diversity, equality and inclusion.

---

<sup>5</sup> For example, this could include considerations or specific measures in relation to physical accessibility for artists in venues, at events, etc., or accessible websites, programmes, captioning or ISL for audiences.

### **Access costs for artists or participants<sup>6</sup> with disabilities**

If your application is successful and we award you funding, you may need extra access costs for you or anyone directly involved in shaping your work creatively. Therefore, in addition to the maximum amount permitted, the Arts Council will also consider access costs specifically relating to the making of work by artists or participants with disabilities.

The Arts Council takes the definition of disability from the UN Convention on the Rights of Persons with Disabilities, which states: 'Persons with disabilities include those who have long-term physical, mental, intellectual or sensory impairments which, in interaction with various barriers, may hinder their full and effective participation in society on an equal basis with others.'

If you wish to apply for access costs, please upload the following information with your application:

- A short document outlining what your additional access costs are
- An amount for access costs in the expenditure section of your activity budget. This figure should also be included in the total amount you request.

#### **What is an access cost?**

Access costs for artists or participants with disabilities cover any requirements you may have in order to remove barriers that might stop you from completing your proposed activities. This may include, for example, costs towards additional time needed to complete an element of your proposal or additional assistance required to deliver your proposed activity, such as an ISL interpreter or an Access Support Worker.

#### **Making your work accessible to others**

We want to ensure that more people can enjoy high-quality arts experiences and that everyone can get access to, and enjoy, the work we fund. We consider the cost of making your activities accessible to audiences as a normal part of your work. Therefore, you should include any costs you will need to pay to make your activity accessible to a wide range of people, including audiences with access needs, in your activity budget. For example:

- having an ISL interpreter for your event or performance
- using an audio description service
- making your website compatible with screen readers
- producing exhibition materials in other formats such as in Braille or audio

---

<sup>6</sup>In the context of Strategic Funding, The Arts Council defines participants as those who express themselves creatively by taking part in artistic activities.

We will expect to see evidence of your commitment to at least two EDI goals in your application. These should relate to priorities for your organisation and we suggest at least one internally focused (e.g. staff, board or volunteer development) and one externally focused (e.g. audiences or partnership development). Please ensure you provide this evidence, as your score will be determined by what is included in your application.

## 2.6 Touring

**Note:** if you receive Strategic Funding, you will not be permitted to apply separately to the Touring of Work Scheme for 2024.

If your application for touring activity is successful, you will also be asked to provide signed MOUs and detailed budgets to verify that the tour is taking place before that portion of the funding is released.

- You should give a written overview of your touring plans in the application form, and list these activities, including costs, **separately** within the AAR template
- If you have any written evidence to support your touring plans, you should include them as part of your supporting materials.

## 2.7 How are scores determined?

The Arts Council will use a scoring system for Strategic Funding applications for 2024. This system is intended to help you understand how your application has been evaluated against the assessment criteria. The scores offer an indication as to how well your application has met each criterion. Assessors may award a score to the nearest 0.5.

There are twelve possible scores that may be used, as follows:

Numeric Score	Description	Explanation
6.0	Exceptional	The application addresses all relevant aspects of the criteria comprehensively and in an exemplary manner.
5.5		At the top end of 'Excellent'.
5.0	Excellent	The application addresses all relevant aspects of the criteria convincingly and successfully. There are no concerns or areas of weakness.
4.5		At the top end of 'Very good'.
4.0	Very good	The application addresses the criteria very well. Any concerns or areas of weakness are minor.
3.5		At the top end of 'Good'.
3.0	Good	The application addresses most of the criteria well although there are some gaps
2.5		Between 'Sufficient' and 'Good'.

<b>2.0</b>	Sufficient	The application addresses the criteria at a basic level but there are areas where detail is missing, or the information is unclear.
<b>1.5 or lower</b>	Not sufficient	The information provided in the application is not detailed enough to be able to make an assessment against the criteria.

**Note:** a score of **1.5** or lower against **any** criterion may mean that an application will **not** be recommended for funding.

The score given for each criterion will then be multiplied to get a percentage rating, as follows:

	<b>Weighting</b>	<b>Percentage</b>
Artistic quality and development	(4.167)	25.0%
Engagement	(4.167)	25.0%
Organisational capacity	(3.333)	20.0%
Critical to the infrastructure	(3.333)	20.0%
Equality, diversity and inclusion	(1.667)	10.0%
<b>Total</b>		<b>100.0%</b>

Here is an illustration of what a complete set of scores might look like in percentage terms:

	<b>Score</b>	<b>Weighting</b>	<b>Percentage %</b>
Artistic quality and development	5.5	(4.167)	22.9%
Engagement	4.5	(4.167)	18.8%
Organisational capacity	5.0	(3.333)	16.7%
Critical to the infrastructure	4.0	(3.333)	13.3%
Equality, diversity and inclusion	4.5	(1.667)	7.5%
<b>Total</b>	<b>23.5</b>		<b>79.2%</b>

## **2.8 How scores relate to funding offers**

While scores will play a significant part in the making of funding offers, they are not the only factors. The amount of funding offered will reflect the overall available budget in conjunction with the criteria as explained in this section.

As part of our ongoing relationship-management process, scores will also be used to inform discussions with organisations on areas where they are doing well and where there might be scope for improvement.

## **2.9 Funding agreements, including terms and conditions of financial assistance for successful applicants**

The Arts Council has different levels of reporting requirements that are set out in our Conditions of Financial Assistance. These are based on the amount of funding offered and the turnover of your organisation. If your organisation is awarded Strategic Funding, you will also have to meet monitoring requirements around audiences, public engagement, artist and artform development, and operating model, according to Arts Council strategic priorities.

If your application is successful, these reporting requirements will be included as part of your funding agreement, which will be sent to you. You will have to agree to these before you can receive funding.

linked to a one-off cost, make this clear as part of your statement and ensure the activity is described as a distinct activity in the AAR.

Your narrative will be considered in the context of the five assessment criteria, along with the other information you provided as part of your application.

---

#### 4. Declaration

Use this section to formally declare your application for funding to the Arts Council. The declaration must be signed by the chairperson of the organisation's board of directors or governing body; and the most senior executive officer or a second board or committee member.

---

#### 5. Supporting documents

This is a checklist provided to ensure that you have included all of the supporting documents required to make an application.

---

### 3.5 Complete your Arts Activity Report (AAR) template

Please see section 4 **How to fill in your Arts Activity Report template** (below).

### 3.6 Prepare any supporting material required for the application

See section 1.7 **What supporting material is required to make an application?** (above).

You **must** upload supporting material with your application and financial report. If you do not upload supporting material, your application is incomplete and we will not evaluate it.

If you have supporting material that is not in an electronic format, you should scan it so that you can upload it.

The total combined limit for all supporting material uploaded with a single application is **40MB**.

#### Acceptable file formats

These are the acceptable file formats for your supporting material.

---

File type	File extension
text files	rtf, doc, docx, txt
image files	jpg, gif, tiff, png
sound files	wav, mp3, m4a
video files	avi, mov, mp4
spreadsheets	xls, xlsx
Adobe Acrobat Reader files	pdf

---

**Note:** if you have completed your application form as a **.docx** file, and you are confident that your application form is filled in correctly (including typing inside the grey fields) but online services displays a message saying ‘Cannot upload form’, please try saving it as a **.doc** file and uploading it again.

### Submitting URL links

**Note:** links to streaming platforms may be used to provide samples of work. Stand-alone supporting material such as CVs and letters of support etc. must be uploaded as separate documents with your application.

Instead of uploading material directly, you may provide links to material hosted on streaming platforms **that do not limit access through financial subscription**. To do this, copy the URL (the full address of where your material is hosted) into a Microsoft Word/OpenOffice Writer or a PDF document and upload it as a weblink-supporting document.

While not an exclusive list, examples of acceptable sharing platforms would be YouTube, Vimeo, SoundCloud, Bandcamp.

Please note that we will not accept links to file-sharing sites (e.g. Google Drive), nor links to social-media platforms, nor links to individual applicants’ websites.

**Note:** assessors will only view materials as submitted by you according to the URL link that you provide. Check that the link works from within the document you upload – i.e. that it links correctly to your material.

If you do not wish material you upload to YouTube for your application to be publicly viewable, you can flag your video as ‘unlisted’ in the settings. Please **do not** flag your material as ‘private’ as it will not be accessible to Arts Council assessors.

### 3.7 Make your application online

Now that you have a completed application form, AAR template and supporting material, you can finish your online application.

1. Log in to Online Services.
2. On your home page, select the **My applications** tab and select the Strategic Funding application you have already created.
3. On screen 1, click **Next**.
4. Screen 2 is named ‘2: Making an application: Request funding amount’. Enter your summary financial information in this screen. You should have this information in your AAR template.

In section A, do the following and click **Save draft**.

Field	Action
-------	--------

<b>Amount requested</b>	Put the amount of funding you are requesting for 1 January–31 December 2023. This <b>must</b> match the figure in the second worksheet of your AAR template: 'ARTS COUNCIL REQUESTED AMOUNT 2023'.
<b>Total income</b>	Put your estimated total income for 1 January–31 December 2023 <b>excluding</b> the amount you are requesting from the Arts Council.
<b>Total expenditure</b>	Put your estimated total expenditure for 1 January–31 December 2023.

5. On Screen 2, section B, put your income information for 2022, 2023 and 2024 and click **Save draft** and **Next**. Use these figures.

- **Actual figures for 2022** from your 2021 audited accounts
- **Expected figures for 2023** from your most recent management accounts
- **Forecast figures for 2024** from your AAR template.

These tables explain the income and expenditure items on **screen 2, section B**.

<b>Income items</b>	<b>Description</b>
Income against core activities	Any income that your organisation receives from its non-artistic activities – e.g. local-authority grant funding, facility or equipment rental, or professional fees
Income against artistic/programme activities	Any income that your organisation receives from its artistic or programme activities – e.g. box-office takings, publication sales, gallery sales/commissions, workshops and seminars, membership fees
<b>Expenditure items</b>	<b>Description</b>
Total core costs	All costs – including staff costs – associated with the ongoing, day-to-day running of the organisation
Direct artistic/programme activity costs	Direct costs associated with producing your organisation's programme – e.g. artists' fees, costumes, sets, physical production, printing or exhibition costs, information provision, etc.

6. Screen 3 is named '3. Making an application: Upload application form and supporting material'.

In section A, click **Choose File**, select your application-form file and click **Upload**.

In section B, upload your supporting materials **and your AAR template**.

**Note:** when uploading the AAR template, you **must** select 'Arts Activity Report Template' from the drop-down list in order that assessors can identify it once submitted.

At any time click **Save draft** to save your application. You can also log out and return to it later. When you are finished uploading material, click **Next**.

7. Screen 4 is named '4. Submit application'. Review your details and, when you are satisfied that you have included everything, click **Submit**.

You cannot amend your application after you submit it. **Do not submit your application until you are completely satisfied.**

After you submit your application, you should receive two emails.

- The first will be issued immediately your application is received by the Arts Council
- The second email may arrive a few minutes later. It will contain your application number, which we will use in all correspondence related to your application. **If you do not receive the email with your application number**, contact [onlineservices@artscouncil.ie](mailto:onlineservices@artscouncil.ie).

You have now completed the application process.

## 4. How to fill in your Arts Activity Report template

The Arts Activity Report (AAR) template is a spreadsheet that captures your detailed financial, audience and staff figures, as well as summary information about the work that you undertook in 2023, and the work you plan to undertake in 2024.

The AAR process has been introduced for three reasons:

- As part of our commitment to get better at monitoring the outcomes and impacts of our investments as a tool for advocacy, advice, policy development and case-making
- As a means of assessing and tracking applicants' work in a consistent and systematic manner
- To act as the basis for funding agreements with arts organisations.

There are two worksheets within the workbook. If you are currently receiving Strategic Funding, you **must** complete **both** the 2023 and the 2024 worksheets.

New applicants need only complete the 2024 worksheet.

If you do not complete all of the relevant worksheets, your AAR will not be valid and your application will be deemed ineligible.

**You must upload your AAR template as a Microsoft Excel or OpenOffice Calc file. Do not convert it to a pdf file.**

There are help pop-outs with instructions within the AAR template as to how to complete it.

**You should complete the AAR template as follows:**

PART 1	CORE EXPENDITURE AND INCOME
<b>Core expenditure</b>	Core expenditure – also known as overheads, operating or fixed costs – are any day-to-day costs associated with running your core business. These are costs such as staff costs, rent, mortgage, utilities or day-to-day administration costs that have to be met irrespective of whatever specific arts activities are happening at any given time.
<b>Income not directly related to activity</b>	Any income that comes into your organisation that is not directly attributable to specific artistic activities. This may be local-authority grant funding, sponsorship or fundraising that you are not attributing to a particular activity but which you are setting against your overall costs.  Any income that is not directly attributable to specific artistic activities should go here.
<b>Whole-time equivalent (WTE) – artists</b>	The whole-time-equivalent hours per week that artistic staff work for your organisation – e.g. an artistic director who works 2.5 days per week would give a WTE of 0.5.  For the purpose of data collection, the term 'artistic' is taken to mean anyone whose main role is the creation, delivery or

	facilitation of art – e.g. artistic director, producer, production manager, visual-art technician, curator, editor.
<b>Whole-time equivalent (WTE) – non-artists</b>	<p>The combined whole-time-equivalent hours per week that non-artistic staff work for your organisation, such as administration, finance, marketing staff – e.g. a full-time administrator, a full-time accounts person and a half-time marketing person would give a combined WTE number of 2.5.</p> <p>Note, the WTE formula is:</p> $1 \div 5 \times \text{the number of days in a week a person works}$ <p>The whole-time equivalent value for an employee working full-time would be 1 (<math>1 \div 5 \times 5</math>)</p> <p>A WTE value for an employee working half-time would be 0.5 (<math>1 \div 5 \times 2.5</math>)</p> <p>The WTE value for an employee working 2 days per week would be 0.4 (i.e. <math>1 \div 5 \times 2</math>)</p>
<b>Community Employment Scheme numbers</b>	The number of individuals employed through the Community Employment Scheme or other scheme.

## PART 2

## ACTIVITY DATA

### Notes

- The maximum number of activities allowed within the AAR template is **twenty**. If the number of activities is more than twenty, you should **group** your proposed activities by artform or by area of work.
- You should include any commercial or other activities that will not be supported by Arts Council Strategic Funding as a **single** activity.
- Any activities presented or disseminated outside the Republic of Ireland, and any associated engagement numbers, should be listed as **separate** activities in the AAR.
- **Broadcast/digital audiences:** in the event that an activity or event you are proposing has both a live audience and a separate broadcast/digital audience, please provide these figures **separately** by listing the activity twice.

### PART 2.1

### Activity detail

#### A. Activity name

The name you give to an individual activity. This might be the name of a specific artwork or, in certain cases, a generic name, such as 'Music programme' or 'Work for children'.

#### B. Brief description of the activity

Here you should offer a brief description of the activity. This is to help assessors understand the context for the activity and how it sits within your overall mission as an organisation.

### C. Artform

Select the **primary** or main artform for the activity from the drop-down menu (or select 'more than one artform' if more than one artform is involved).

---

### D. Activity type

Choose the activity type from the drop-down menu that **most closely** represents the activity that you are undertaking. These are:

- **Ticketed performance or event:** a performance for which tickets are sold or distributed (this would include a free event if there is a booking process)
  - **Non-ticketed performance or event:** any event (e.g. street performance, parade, outdoor show) where people do not need to purchase a ticket to attend
  - **Book/publication:** a book, such as a novel or poetry collection, or a publication, such as a periodical or journal, whether physical or online
  - **Production and/or distribution of artefact:** e.g. the creation of a series of prints or other art objects that might be sold or otherwise distributed
  - **Broadcast/online/digital distribution of work:** the broadcast or distribution of a work online or digitally – e.g. a musical performance, online artwork, the online publication of a magazine or journal
  - **Exhibition:** a visual-art exhibition, including gallery installations of sculpture, art film, sound installations, etc
  - **Participatory, education or outreach activity:** any activity where people are involved in artistic production by making, doing or creating something, or contributing ideas to a work of art, regardless of their skill level, or *taking part* in workshops or other similar activities
  - **New-work development activity:** any activity where the purpose is the development of a new piece of work – e.g. the dramaturgical process for a new play, the editing process for a new book, etc.
  - **Research/archiving/digitisation:** any activity where the main purpose is research or the archiving or digitisation of materials relating to arts practices
  - **Artist-focused/artform-development activity:** any activity where the main focus is on supporting artists
-

---

and helping to develop their practice or their work, or ancillary events such as information clinics, seminars or conferences aimed at professional artists.

---

#### E. Primary target of activity

Choose the primary target from the drop-down menu that **most closely** represents the target group for activity that you are undertaking. These are:

- **General audiences:** where the primary target of an activity is not specified but is open to anyone to attend or to engage with (although the work is often unlikely to be suitable for children)
  - **Families:** where an activity would be suitable for adults and children to attend together
  - **Children (0–15)** where the primary target of an activity is children up to fifteen years of age
  - **Young people (16–23):** where the primary target of an activity is young people between the ages of sixteen and twenty-three – e.g. youth theatre, youth dance, young writers
  - **Particular communities:** where the primary target of an activity is a specific group or community of interest – e.g. older people, people with disabilities, people in particular geographic areas (urban and rural, especially remote), members of minority communities, people who experience socio-economic disadvantage status (by social class, education, income)
  - **Practising artists or arts professionals:** e.g. a resource organisation focused on supporting professional development or serving a community of artists
- 

### PART 2.2

#### Financial detail

#### F. Total cost

The total direct cost to your organisation of undertaking the activity. You **should not** apportion full-time staff costs or other core costs to activities.

#### G. Earned income

Income from ticket sales or the sales of books, publications or other art objects.

#### H. Income from other sources

Any income from sources other than sales – e.g. sponsorship, fundraising or grant income from sources other than the Arts Council

#### I. Outcome/subsidy required

This is a sum that will be calculated automatically, and is the difference between the cost of the activity and any income against it.

**Note:** it may happen that, in some cases, the total income from an activity is greater than the total cost. This is not a problem. The purpose is for us to get an overview of your proposed activities, and the costs and incomes relating to each.

---

PART 2.3	Audience/engagement/employment/event numbers
<p><b>J. Audience/ engagement number – paying</b></p> <p><b>&amp;</b></p> <p><b>K. Audience/ engagement number – free</b></p>	<p>For the purposes of data gathering, ‘Engagement’ is taken to mean one of four things:</p> <ol style="list-style-type: none"> <li>1. <b>Audience</b> members, readers, listeners, viewers, attenders, visitors, or others <i>engaging</i> with art and arts events (e.g. recitals, book sales, concerts, plays, dance performances, art exhibitions, literary events)</li> <li>2. Members of the public <i>participating</i> in the making or creation of art, or in arts-related workshops, classes or events (e.g. post-show discussions, public Q&amp;As)</li> <li>3. People <i>volunteering</i> to work on or at an event – e.g. an arts festival or as front-of-house staff at a local arts centre (<b>Note:</b> this is not the same as <i>participants</i> in arts events, where they are actively involved in the creation, making or presenting of work)</li> <li>4. Artists, arts professionals, and/or other practitioners <i>taking part</i> in workshops, classes, or other developmental activity.</li> </ol> <p>In all of the above cases, individuals are either paying or not paying to attend/engage with the art. <b><u>They are not being paid.</u></b></p> <p><b>Need further help compiling your engagement numbers?</b></p> <p>Additional guidance on completing this section of the application form is available on our website at <a href="http://www.artscouncil.ie/public-engagement">http://www.artscouncil.ie/public-engagement</a>.</p>
<p><b>L. Artists employed number</b></p>	<p>The number of artists employed, contracted or commissioned directly in the making or delivery of an activity. For the purpose of data collection, the term ‘artist’ is taken to mean anyone whose main role is the creation, delivery or facilitation of art – e.g. a production manager, an editor, a producer, a visual-arts technician, a stage manager, the graphic designer of a book cover.</p> <p><b>Note:</b> if you are a presenter, venue or festival, and you are not directly employing the artists to deliver the activity, leave this blank.</p>
<p><b>M. Others employed number</b></p>	<p>The number of non-arts professionals employed or contracted in the delivery of an activity.</p> <p><b>Note:</b> if you are a presenter, venue or festival, and you are not directly employing people to deliver the activity, leave this blank.</p>

---

**N. Number of performances/objects/events/days open**

This is to help us to understand how many opportunities the intended beneficiaries of your proposed activities have to engage with each activity.

This is the number of individual performances of a play or dance piece; the number of books printed; the number of art objects created; or the number of workshops, classes or other events held. In the case of visual arts, it is taken to mean the **number of days** that an exhibition is open to the public.

---

**Note on apportioning costs**

In order that we can collect data in a consistent manner, you should **not** apportion any of your core costs to activities. An example of this might be the salary costs of a full-time programme manager. Because they are a full-time, permanent member of staff, their salary should be recorded as a **core cost**, even though their main function is the overseeing and delivery of programmes of activities.

This will ensure consistency in terms of how data is presented. This may mean that, in certain cases, you have **no direct costs** against a particular activity. This is fine.

**Note on listing activities**

The maximum number of activities allowed within the table and AAR template is **twenty**. If you have more than twenty activities, you should **group** your proposed activities in a way that reflects what your organisation does.

## 5. How your application is processed

---

This section tells you how the Arts Council assesses and makes a decision on your application. This is to ensure the process is open, fair and transparent.

---

- 1 After you submit your application, you should receive two emails:
  - The first will be sent immediately and will acknowledge your application.
  - The second should arrive a few minutes later. It will contain your application number, which we will use in all correspondence about your application.

If you do not receive the email with your application number, contact [onlineservices@artscouncil.ie](mailto:onlineservices@artscouncil.ie)

---

- 2 Your application is checked for eligibility. Please see **Eligibility** section above. Your application will be deemed **ineligible**, and will not go any further in the process, if any of the following is true:

- You have applied for activities that are not permitted under this funding programme.
- You have applied for activities that are more suited to another funding programme offered by the Arts Council or other grant-giving Government agency (in which case, your application will be redirected).
- You are a first-time applicant and have not discussed your application in advance with the relevant arts team.

**Note:** if your application is deemed ineligible, it will not be assessed, and you will be entitled to apply again with the same proposal for future funding rounds – provided that it meets the eligibility requirements

---

- 3 Your application is assessed and scored based on the assessment criteria.
  - 4 We will prepare recommendations for Council (for applications requesting €50,000 or above) and for the Arts Council Executive (for applications requesting less than €50,000).
-

- 
- 5 The Council considers recommendations and makes final decisions for all amounts above €50,000. The Arts Council Executive considers recommendations and makes final decisions for all amounts of less than €50,000.
- 
- 6 You will be informed of the decision and will also receive a copy of the recommendation.
- 
- 7 If your application has been successful, we include information about what you should do next.
-

## 6. How does the Arts Council use and protect your information?

---

### 6.1 Data protection

The Arts Council will use the information you provide in your application to understand your organisation and the activities for which you are seeking funding. The Arts Council may also use some of this information for other purposes – e.g. to update our database or to assist in building a stronger case for government funding of the arts.

In order to be able to award any funding to your organisation, certain personal data will be required – e.g. email addresses, salary details and job titles. Any personal data you give us will be obtained and processed in line with the Data Protection Acts 1988 to 2018 and any other applicable data-protection laws and regulations as may be enacted or enter into effect from time to time.

We will use the information in this application form (including personal data) to process your application and for ongoing communication between us. Any personal data will be retained and processed by the Arts Council only for so long as it is needed for (a) assessment and determination of your application and, in the event of an unsuccessful application, any subsequent period ending with the conclusion or settlement of any appeal or legal challenge, and (b) for the management and performance of any funding agreement arising out of a successful application and any subsequent period ending with the conclusion or settlement of any claim or legal proceedings relating to a funding agreement. Personal data may be disclosed to external assessors appointed by the Arts Council to take part in the assessment of your funding application. The Arts Council may process personal data for the purposes of research or other data analysis, in which case the personal data will be anonymised.

If you have any queries in relation to the processing of the personal data provided by you, please email [dataprotection@artscouncil.ie](mailto:dataprotection@artscouncil.ie).

If recipients consider that certain information should **not** be disclosed because of its confidentiality or commercial sensitivity, recipients must, when providing such information, clearly identify such information and specify the reasons for its confidentiality or commercial sensitivity. If recipients do not identify such information as confidential or commercially sensitive, it is liable to be released in response to a Freedom of Information request without further notice to, or in consultation with, the recipient. The Arts Council will, where possible, consult with the recipient about confidential or commercially sensitive information so identified before making a decision on a request received under the Freedom of Information Act.
