Key points

- The Arts Council is currently reviewing the way we fund touring and the parameters of this award are set to change. We consider change to be an integral part of our role as the development agency for the arts in Ireland. Changes to our decision-making and policy-making are informed by data provided by the sector. These guidelines complement other guidance and policy information provided by the Arts Council, and do not replace them. Before you apply, we recommend you familiarise yourself with all the available information.
- Recent changes to the scheme:
 - We have aligned the objectives and priorities of this award more closely to the Arts Council strategy [Making Great Art Work](#)
 - We have extended the period of touring activity covered
 - We have standardised the mandatory supporting material required for all applicants – some exceptions remain, so please read this guidance carefully
 - We have aligned our assessment and decision-making processes to follow Arts Council peer-panel procedure.
- If successful, you are encouraged to register your proposed tour (where appropriate) with [Tourbook](#), a platform for performing arts touring. This is an easy-to-use website operated by [Theatre Forum](#).
- In order to make an application, you **must** be registered for an Arts Council Online Services (OLS) account. If you do not have one, you can sign up for one [here](#). Please note that it can take up to **five working days** for a new user to be registered on OLS, so give yourself plenty of time to do this ahead of the deadline.
- We strongly advise that you read this document carefully before beginning the process of making your application.
- We also strongly advise that you start the process early, and give yourself **plenty of time** to make your application.
- We recommend that you aim to upload your application **at least forty-eight hours** before the advertised deadline. That way, if you encounter a technical problem you will have time to contact us so that we can assist you in resolving it.
- Please note that, on account of the large volume of applicants using the online system on the last day of the deadline, we cannot guarantee that we can resolve any technical issues you may have if you contact us **after 2.00pm on the day of the deadline**.

Definitions for the purpose of this award

- **Touring activity:** this is where the same artistic programme or event is taking place in three or more places. Touring activity might involve performances, concerts, events or exhibitions or other forms of presentation of artistic work for the public to engage with.
- **Touring and dissemination:** the Arts Council recognises that artforms and arts practices vary in their means of bringing work to the public. We recognise that tours may involve multiple or alternative means of distributing and presenting work that do not necessarily conform to the traditional touring model. This scheme applies the use of the term 'touring' to mean the presentation of all types of artistic work, including dissemination of work.
- **Venue:** this refers to arts centres, venues, galleries, schools, halls, churches, festivals or other acquired or curated spaces where the art is taking place.
- **Artist/arts organisation:** this refers to professional artists and/or professional arts organisations. The artist is understood to be a person who is actively pursuing a career as an artist in any artform, and who considers their arts work as their main profession or career. This applies even if their work in the arts is not their main source of income or they have other employment.
- **Audience:** we understand audiences to be those who engage with the arts – e.g. people attending a concert, performance or event, visitors to an exhibition, readers of literary works, listeners and viewers of the visual arts, etc.
- **Audience development:** we understand audience development as any activity aimed at making the arts more widely accessible – e.g.
 - **Increasing** audiences – attracting more people with the same profile as the current audience
 - **Deepening** the relationship with the audiences – adding value to the audience experience by encouraging an audience to engage with related activities – e.g. other artforms, outreach, events, talks, workshops, discussions, etc.
 - **Diversifying** audiences – attracting people with a different profile to the current audiences, including people who have had no previous contact with the arts or for whom access to the arts is difficult.
- **Public engagement:** a term covering the broad range of encounters the public may have with the arts. The Arts Council identifies three areas of particular interest:
 - Where the public engages as audience members (readers, listeners, spectators)
 - Where the public engages as active participants, collaborators or co-creators of artistic work or arts practices
 - Where the public actively engages in the arts in a voluntary or amateur capacity.

Public engagement strategy: sometimes referred to as a mediation plan, an audience plan, or a PR and marketing plan, your public engagement strategy is a document which helps us to understand:

- What audience you wish to reach with your tour
- How and why you have identified this audience
- How you are approaching audience development (such as increasing, deepening or diversifying your audience)
- How you will ensure this audience knows about your tour and is encouraged to attend
- What tools or methods you (and/or your venues) will use to do this.

1. About the Touring of Work Scheme

1.1 Deadline for submission of applications

All applications must be made using the Arts Council's Online Services.

The deadline for receipt of applications is:

5.30pm, Thursday 9 May 2024

Please prepare and submit your application well before the deadline.

1.2 What are the objectives and priorities of the scheme?

The objective of the Touring of Work Scheme is to make great art – of different kinds – available to more people throughout the country. When selecting tours to fund, we consider artistic excellence in the work itself and clear consideration of public engagement. In most cases, the work to be toured will have already been produced and well received by audiences and critics (see artform-specific criteria in the appendix for exceptions to this).

Successful applicants will also show how their tour will create – or make use of – a network of venues and/or other partners and collaborators. This might include other artists, producers, promoters, arts organisations, festivals, local authorities, funders, etc. Your partners and collaborators should contribute to the success of your tour in artistic, audience and geographic/spatial terms.

The Touring of Work Scheme, like all Arts Council awards, is informed by our ten-year strategy [Making Great Art Work](#), and connects in particular to the core priorities of the artist and public engagement. Other Arts Council policies that you should refer to are:

- Our spatial policy, [Place, Space and People](#), which seeks to ensure that artists, audiences and the arts thrive all over the country
- Our [Paying the Artist](#) Policy, which strives to ensure artists make and share great work for fair pay
- Our [Equality, Diversity & Inclusion](#) (EDI) Policy, which champions the equal rights of all to enjoy and participate in the arts.

Our commitment to EDI is particularly strengthened through our [policy for children and young people's arts](#) and our work in [Arts Participation](#).

Individual artforms are supported through policies which can be found on our [website](#), and each artform has particular priorities for touring, which can be found in the appendix to these guidelines.

The Arts Council will publish a Climate Action and Environmental Policy in 2024, along with making specific climate and environmental training and resources available to the sector. While the environmental impact of your tour will not affect your application in this round, we would like you to bear this in mind for the future.

1.3 Who can apply?

The scheme is open to:

Individuals and organisations that wish to tour the presentation of work from January to December 2025 in the Republic of Ireland.

To be eligible to apply, you must be:

- Based/resident in the Republic of Ireland. We may consider your application if you are based outside the Republic of Ireland. However, your application would have to convince us that your proposal would benefit the arts in the Republic of Ireland.
- Professional practising artists. Even though you might not earn income continuously or exclusively from your arts practices, you must identify yourself, and be recognised by your peers, as professional practising artists.
- Unsuccessful applicants to Strategic/Arts Centre/Partnership Funding may apply to the Touring Scheme(s).

If you already receive Arts Council funding

Applicants, other than Strategic/Arts Centre/Partnership Funding recipients, who are in receipt of other Arts Council funding are eligible to apply, provided it is clear that the touring activity for which funding is sought is additional to those activities for which Arts Council funding has already been offered.

Collaborative or partnership applications

The Arts Council encourages applications that demonstrate collaboration, co-production and partnership between networks, consortia or other collectives or producing and presenting entities.

We encourage proposals that demonstrate quality partnerships between the local and national arts infrastructure. While the Arts Council does not support any direct costs of tours internationally, we recognise and encourage applications that include support from international producing partners and/or support from relevant funding agencies (e.g. Culture Ireland) to enable our investment reach wider, international audiences.

As part of its [Equality, Diversity and Inclusion Policy](#), the Arts Council is committed to offering **equality of access, opportunity and outcomes** to all potential applicants regardless of their gender, sexual orientation, civil or family status, religion, age, disability, race or membership of the Traveller community, or socio-economic background. In this funding scheme the Arts Council particularly welcomes applications that are representative of the diversity of Irish society, including but not limited to any of the characteristics outlined above, and/or initiatives that deliver equitable opportunities or outcomes for those involved.

Who is the applicant?

The applicant is the person or organisation that will receive any grant offered and who will be required to accept the terms and conditions of that grant.

Touring of Work Scheme: Guidelines for Applicants

Any grant offered will only be paid into a bank account held in the name of the applicant.

All documentation provided must be in the name of the applicant (individual artist or arts organisation) – e.g. if you apply to the Arts Council for funding under the name Máire de Barra, then all documentation, including bank and tax details, must be in that name.

Variations such as Mary Barry or Barry Studios are not acceptable.

For applications that involve a network, consortium or partnership, a single organisation must be nominated as the applicant.

1.4 Who cannot apply?

Those who are not eligible to apply include the following:

- Organisations in receipt of Strategic/Arts Centre/Partnership Funding
- Individuals or organisations who do not have a demonstrable track record as professional artists or arts organisations
- Organisations or individuals not resident/based in the Republic of Ireland
- Applicants who do not guarantee payment to artists in their original plans and contingency plans
- Members of the Council of National Cultural Institutions (CNCI) directly funded by the Department of Tourism, Culture, Arts, Gaeltacht, Sport and Media.

1.5 What can you apply for?

Eligible costs include the following:

- Direct costs of touring (after proposed income has been deducted)
- Wages and fees* for artistic, creative, technical and other staff essential to the delivery of the tour
- Administrative costs that are appropriate and in proportion to the activities proposed
- Hire of equipment, space or venue if the hire is essential to the delivery of the activity
- Marketing, PR and public-engagement costs
- Accommodation, daily expenses and travel
- Access costs
- Cost of remounting a production, exhibition or show where these have not already been funded from another source
- In some touring models, costs of mounting a new programme of work, that has not yet been performed in the proposed iteration or arrangement, can be included – e.g. music, traditional arts, visual arts. See the priorities for these artforms in Appendix 1 below.

Note: for the following performing arts – theatre, opera, dance, circus, street arts and spectacle – we will prioritise applications that propose to remount and tour productions that can demonstrate they have been successfully produced in terms of critical and audience response.

In exceptional circumstances, companies or organisations with a *significant* track record may propose to tour productions not yet produced. While initial production costs are not eligible for support under this scheme, financial data must be provided, indicating how initial production costs will be met. **Such organisations are requested to seek clarification from the relevant Arts Council team before applying.**

1.6 What may you not apply for?

The following will not be considered eligible activities or costs under the Touring of Work Scheme:

- Costs related to initial production costs, unless otherwise stated
- Costs directly related to the touring of work in an international context
- Costs directly related to the touring of work in Northern Ireland
- Major capital purchases
- Ongoing core costs that are not directly related, appropriate and proportionate to proposed activities
- Activities or costs that do not fit the purpose of the scheme
- Activities that are more suited to another award or scheme funded by the Arts Council or operated by other state agencies, such as Culture Ireland – this includes activities that take place outside the Republic of Ireland
- Activities that have already taken place, or which will have commenced before, January 2025
- Activities undertaken for charity-fundraising purposes, for participation in a competition, or for primarily profit-making purposes
- Activities that are already funded from another source
- Activities that have already been assessed by the Arts Council, unless you demonstrate that you have significantly developed the proposal since previously applying **or** if the Council has specifically advised you to redirect your application to this award. Please bear in mind that such advice is not an indication of a successful outcome.

1.7 How much funding should you apply for?

No upper limit has been set on the amount that you may apply for. However, the Arts Council operates under budgetary constraints, the scheme is very competitive, and the Arts Council reserves the right to offer less than requested. Details of previous years' successful recipients are available on the Arts Council website in the [Who We've Funded](#) section. For further guidance, please contact the relevant Arts Council team.

In applying for funding under the Touring of Work Scheme, you are required to submit budget details relating to your project. The maximum amount you may request is the difference between the PROPOSED EXPENDITURE and the PROPOSED INCOME you indicate in the budget.

- Proposed expenditure should include all fees and wages, * technical costs, promotion and publicity costs, administrative costs, etc.
- Proposed income should include what you expect to receive from other funders, box-office receipts, programme sales, etc.
- It is also important to reflect all in-kind** support in both income and expenditure, so reflecting the full and true value of your proposal.

You are asked to indicate income, expenditure and amount requested at the following stages during your application:

Touring of Work Scheme: Guidelines for Applicants

- Online, when you initiate the application (totals only)
- In section 3 of the application form
- Theatre applicants must also use the Theatre Touring Budget Template, while Opera applicants must also use the Opera Touring Budget Template – see section 1.8 below.

Make sure that the totals are the same on all; and make sure that the amount requested equals TOTAL EXPENDITURE minus TOTAL INCOME. All amounts must be designated in euro (€).

* NOTES

* Note on artists' pay

The Arts Council is committed to improving the pay and conditions of artists. In this context, the Arts Council has published a [policy](#) on the fair and equitable remuneration and contracting of professional artists. This includes best-practice principles for all those working in the arts to aspire to.

All professional artists engaged in Arts Council-funded activities must be fairly paid. Anyone seeking funding from the Arts Council must tell us how they will ensure that artists will receive fair pay and conditions, and must provide details of this in their budgets. We will use this as part of the application-assessment process, and will not offer funding if we consider pay to be too low or below industry standards, or where the terms of engagement are not appropriate. Through our reporting mechanisms we will monitor compliance.

We do not set or recommend rates of pay, but we recognise the role of those organisations that are mandated to do so, and will refer to these where they exist. We also commit to supporting key representative and resource organisations to review industry rates and develop new tools that support the contracting process.

The policy recognises that there may be occasions where remuneration may not apply. This may arise from genuine voluntary or participatory activity or from some other form of legitimate value exchange. It is important to acknowledge this, and we stress the need for clarity and for the rationale to be clearly articulated.

** Note on in-kind support

If you expect to receive in-kind support, you need to put a financial value on it so that the contribution it makes to the real value of your proposal is clear. You should think of in-kind support both as expenditure and as income: whatever amount you declare on the expenditure side you should also declare on the income side.

Time contributed by board members may not be reckoned as an in-kind cost.

If the total income for your project is in-kind only, you must explain why other sources of income are not provided in your proposed budget.

Access costs for artists or participants¹ with disabilities

In addition to the maximum amount permitted, the Arts Council will also consider access costs specifically relating to the making of work by artists or participants with disabilities and/or non-capital public-access costs (e.g. audio description, interpretation) in cases where your proposal has a public outcome.

The Arts Council takes the definition of disability from the UN Convention on the Rights of Persons with Disabilities, which states: 'Persons with disabilities include those who have long-term physical, mental, intellectual or sensory impairments which, in interaction with various barriers, may hinder their full and effective participation in society on an equal basis with others.'

If you wish to apply for access costs, please upload the following information with your application:

- A short document outlining what your additional access costs are
- An amount for access costs in the expenditure section of your application form budget. This figure should also be included in the total amount you request.

What is an access cost?

Access costs for artists or participants with disabilities cover any requirements you may have in order to remove barriers that might stop you from completing your proposal. This may include, for example, costs towards additional time needed to complete an element of your proposal or additional assistance required to deliver your proposed activity.

- **Note:** in the event that you are requesting access costs, you should include information about the costs and how you arrived at them as part of your supporting documentation (see section 1.8 below).

¹ The Arts Council defines participants as those who express themselves creatively by taking part in artistic activities. In broader terms, this includes anyone who engages with the arts in any way at any level – e.g. those attending an event, reading a book, watching a performance, etc.

1.8 What supporting material **MUST** you submit with your application?

Supporting material means material that is **separate from** and **additional to** your application form. This helps the person assessing your application to get a clearer understanding of your proposal. Please read the following list of what supporting material is required very carefully, as failure to comply with this is the most common reason for applications being deemed ineligible.

In order to be considered eligible for funding under the Touring of Work Scheme, in addition to a completed application form, you **must** submit the following supporting material online:

- A **memorandum of understanding (MOU)** for **each** of your partner organisations detailing target audiences, marketing and financial arrangements – use the memorandum template.
 - Please combine all completed MOUs in one document for submission
 - If it is not possible to supply an MOU (e.g. where an arts centre is not professionally managed), a note explaining this is required
 - Evidence of any financial support or sponsorship or in-kind support for which you do not have an MOU is also a requirement
 - Please ensure that audience targets and financial support tally with the figures supplied by you in the application form.

Note:

- Applicants for Opera Touring must, in addition to MOUs, complete and submit the **Opera Touring Budget Template**. Applications submitted without a completed Opera Touring Budget Template and/or without a detailed public-engagement strategy and corresponding marketing plan will be deemed ineligible.

Note:

- MOUs are not mandatory for theatre tours – instead, applicants must complete both tabs of the **Theatre Touring Budget Template**, including the summary of venue agreements. Letters of support from venues are welcome but not mandatory.

All templates can be downloaded from the Touring page of the Arts Council website:

<https://www.artscouncil.ie/Funds/Touring-of-Work-Scheme/>

Public-engagement strategy (max. 3 pages): sometimes referred to as a mediation plan, an audience plan or a PR and marketing plan, your public-engagement strategy is a document that helps us to understand:

- What audience you wish to reach with your tour
- How and why you have identified this audience
- How you are approaching audience development (such as increasing, deepening or diversifying your audience)
- How you will ensure this audience knows about your tour and is encouraged to attend
- What tools or methods you (and/or your venues) will use to do this.

Please refer to **Definitions for the purpose of this award** above, and the **individual artform and arts-practice priorities** detailed in an appendix to these guidelines.

- **Contingency plan**
 - Applications must include a contingency plan outlining alternative arrangements should restrictions or any other event prevent the original plan from being carried out. This must include a guarantee that commitments to artists will be met, even in the event of cancellation.

- **Evidence of track record**
 - Current CVs, artist biography and/or company profile (max. 2 pages each) of key artistic personnel to demonstrate professional artistic track record
 - CVs, biography of other key personnel – e.g. freelance producer and/or company profile (max. 2 pages each) – evidencing relevant track record and expertise in production management, delivery of tours and risk management
 - Please combine all completed CVs in one document for submission.

- **Samples of work**
 - You must provide samples of the proposed work
 - In some cases, you may provide examples of similar, but relevant, artistic work by key artists and/or group, company or organisation.
 - For **theatre, dance, opera, circus and street arts**, you are asked to provide evidence of how the proposed work was previously received – e.g. via reviews or box-office information.

All supporting material **must be submitted online**. Hard-copy supporting material will not be accepted. Include contextual information for all supporting material in a clearly labelled text file.

Visual stills	Label all images clearly and make sure you supply relevant contextual information. This might include details of the title and date of works, media and dimensions, where work was presented, etc.
Moving-image work	Provide relevant contextual information. This might include details of the piece, when and where it was performed, thematic/general comments, the names of performers, how the work was financed (e.g. award, self-financed). Extracts should be no more than three minutes long, and no more than three extracts should be submitted.
Music or sound recordings	Give the names of performers, and detail the instrumentation where appropriate.
Samples of writing	Please submit no more than ten pages of a literary work or script – it is not possible for international peer-panel members to read full play/film scripts or other literary manuscripts.
References to public domain/published works	Give enough details to enable the works to be clearly identifiable – e.g. publication details for books, location details for buildings or installations, etc.

Note: links to streaming platforms may be used to provide samples of work. Stand-alone supporting material such as CVs and letters of support, etc. must be uploaded as separate documents with your application.

For further information on the formats you may use to upload your supporting material as part of your application, see section **2.3 Prepare supporting material required for the application.**

Please also refer to the individual artform and arts-practice priorities detailed in an appendix to these guidelines.

Additional material required in certain circumstances

- **For applications involving access costs**

If you are seeking additional access costs to support work by individuals with access requirements, or to support access to your work by audiences with disability requirements, please provide a document outlining these costs, and outlining how they have been arrived at. Please also ensure that you include this additional amount as part of your budget.

- **For applications involving children and young people under the age of eighteen**

The Arts Council requires all individuals and organisations providing services (e.g. cultural, recreational, educational) to children and young people under the age of eighteen to have suitable child-protection policies and procedures in place. When making an application, you **must** indicate in section 1 of the application form whether or not your proposal is relevant to this age group.

If you answer 'Yes' to this question in the application form and your application is successful, as a condition of funding you will be required to confirm and demonstrate that you have suitable child-protection policies and procedures in place.

If successful, you will be required to complete the Arts Council's Child Protection and Welfare Quality Assurance Self-audit at <https://childprotection.artscouncil.ie/>. Please visit www.tusla.ie for more information on Children First.

You will also be required to update your details in the Profile Information tab in your Online Services account (do this by going to the 'Update your account' section).

- **For applications involving vulnerable adults**

When making an application, you **must** indicate in section 1 of the application form whether or not your proposal involves work with or for vulnerable adults. By ticking the Yes box, you are indicating that you will work with, or present work to, this cohort as part of your proposal, and that you acknowledge that you have familiarised yourself with and adhere to the *National Policy & Procedures on Safeguarding Vulnerable Persons at Risk of Abuse* (see [here](#)).

- **For applications involving working with animals**

If your proposal involves working with animals, you must provide a copy of your *Animal Welfare Protection Policies and Procedures*.

Please note:

- **You may be asked to provide more evidence of adherence to these policies should your application be successful.**
- **In order to assess the volume of applications that we typically receive in a timely manner, we cannot review any supporting materials other than those listed above.**
- **If you do not submit the required mandatory supporting material, your application will be deemed ineligible.**
- **Please use the checklist at the end of the application form to support your proposal**

1.9 Eligibility

Your application will be deemed **ineligible**, and will not go any further in the process, if any of the following is true:

- You miss the application deadline.
- You fail to complete all of the sections in the application form relevant to your proposal.
- You cannot apply as set out in sections 1.4 and 1.6 above.
- You make more than one application – we cannot accept more than one application per applicant.
- You fail to provide all mandatory supporting materials, as set out in section 1.8 above.
- Your application is better suited to another funding programme offered by the Arts Council or by another funding agency (in this case, we will redirect you to the more appropriate funding opportunity).

Note: in the event that your application is ruled ineligible, it will not be assessed, and you will be able to apply again with the same proposal in future funding rounds.

2. How to make your application

2.1 Register with the Arts Council's Online Services

All applications must be made through the Arts Council's Online Services; applications made in any other way (by post, fax or email) will not be accepted.

You must have an Online Services account to make an application. If you do not already have an Online Services account, sign up by filling out the registration form here:

<https://onlineservices.artscouncil.ie/register.aspx>.

Within five working days you will be emailed a unique ARN (Artist Reference Number) and password that you can use to sign in to Online Services.

Requirements for using Online Services

Note: you will need to use a computer/laptop to submit your application. Our Online Services website does not work on phones or tablets.

Your computer and Internet browser will need to meet the following requirements to use Online Services successfully:

PC Windows 7 operating system or a newer version of Windows *with* browser versions: Microsoft Edge (v.94) or Firefox (v.27) or Chrome (v.33), or a newer version of any of these browsers.

Mac Mac OS X v10.5 Leopard or a newer version of Mac operating system *with* browser versions: Safari (v.3.1) or Firefox (v.27) or Chrome (v.32) or Microsoft Edge (v.94), or a newer version of any of these browsers.

Note: if Safari 11 prevents the upload of documents, use a newer version of Safari or use a different browser – e.g. Firefox, Chrome or Microsoft Edge.

Note: you will also need to have Microsoft Word or OpenOffice Writer installed to complete the application form itself. OpenOffice Writer is free software that can be downloaded here: <https://www.openoffice.org>.

OpenOffice Users

Please refer to our video *Using OpenOffice to download, complete and upload the application form* at <https://www.youtube.com/watch?v=iT9Xxgmg0Eo>

You **must** use OpenOffice Writer version 4.0.1 or earlier. More recent versions of OpenOffice Writer than 4.0.1 have changed how our application forms appear when they are submitted through Online Services.

Important notes for Apple Mac users

- Note the section in the YouTube video (at 1 min. 20 secs; link provided above) that deals with the issue of downloading version 4.0.1 on Macs with the operating system Mac OS Mojave or an earlier version installed.
- You cannot download OpenOffice 4.0.1 onto a Mac with the operating system Mac OS Catalina. If your Mac has this operating system or a newer version installed, you will have to download and use OpenOffice version 4.1.9 or newer.

If you cannot meet, or do not understand, any of these requirements, please contact us for advice as far as possible in advance of the deadline.

Give yourself enough time to complete the application

You should become familiar with the Online Services website well in advance of the deadline and in advance of preparing an application. It is likely that there will be heavy traffic on the site on the final afternoon of the closing date. You should prepare your application and submit it well in advance of the deadline.

Upload times can be much longer than download times. It may take longer than you think to upload your supporting materials.

Getting technical support

If you need technical support while making an online application, you can contact the Arts Council by emailing onlineservices@artscouncil.ie or by phoning 01 6180200/01 6180243. We recommend you report any technical issues with us well in advance of the deadline. Please provide a contact phone number and make sure that you are available to receive a return call from us.

We deal with queries on a first-come first-served basis.

Please note that there is often a high volume of calls as the deadline approaches and that technical-support calls received after 2.00pm on the closing date may not be resolved before the deadline.

2.2 Fill in the application form

If you have not already done so, download the application form for the award you wish to apply for. The application form is a Microsoft Word/OpenOffice Writer document that you fill in offline (on your own computer). The application form includes guidance on how to fill in each of its sections.

Note: the application form is formatted in such a way that the Arts Council can extract information from the form for assessment purposes. It is **very important** that you type inside the grey boxes in the form, and that you do not delete them and/or type outside them. If you do this, the form will not upload properly.

Making your case

In order to make the very best case for why you should receive funding, you should give very careful consideration to what you include in the following sections of the form.

2.1 Title of your tour You must include a short descriptive title of your tour. Depending on the nature of the tour, this could include the title of the event or activity, the name of the touring group or the title of the work being performed.

Examples Nationwide tour of Bach's St Matthew's Passion by the Philharmonic Orchestra

Network tour of three short Beckett plays by Newtown Drama Company

2.2 Summary of your proposal Give a summary of your proposal (up to three short points). Should your application be successful, this summary will be published on the **Who We've Funded** pages of the Arts Council website – for that reason, you should keep in mind that what you write may have a wider audience beyond the Arts Council assessors.

2.3 Detail of your proposal	<p>What you write here is a key part of your proposal, and should help those involved in assessing your application to understand the full scope of what you want to do and why.</p> <p>It might include details of your artistic goals and ambitions, and also practical details such as schedules, information on key partners, how you propose to attract audiences, and any other administrative, technical or financial details you consider relevant.</p>
2.4 Pay and conditions for artists	<p>Here you are asked to set out how you will ensure proper pay and conditions for the artists and arts workers that you work with.</p>
2.5 Your application and the assessment criteria	<p>Describe how your application meets each of the assessment criteria for this scheme – see section 3.2 The assessment process.</p>
2.6 Venues for your tour	<p>List the venues for your tour and give the target-audience numbers you have agreed with them. If you need more space for this question, please upload a support document as an additional support material entitled ‘Additional Venues’.</p>
2.7 Other artists, individuals, groups or organisations involved in your proposal	<p>List the artists, other individuals, groups or organisations involved in your proposal (apart from the locations or organisations listed above). If you need more space for this question, please upload a support document as an additional support material entitled ‘Artists involved in our proposal continued’.</p>

2.3 Prepare any supporting material required for the application

You are required to include supporting material with your application. For example, this might include a CV, or samples of your current work – e.g. text, video, images, or sound recordings (see section **1.8 What supporting material MUST you submit with your application?**).

You must submit all such supporting material online – if necessary, you should scan or save material in electronic format.

Acceptable file formats

The following table lists file formats for your supporting material.

File type	File extension
text files	.rtf/.doc/.docx/.txt
image files	.jpg/.gif/.tiff/.png
sound files	.wav/.mp3/.m4a
video files	.avi/.mov/.mp4
spreadsheets	.xls/.xlsx
Adobe Acrobat Reader files	.pdf

For convenience, gather together all the files you need in an accessible location on your computer.

Submitting URL links

Note: links to streaming platforms may be used to provide samples of work. Stand-alone supporting material, such as CVs and letters of support, etc., must be uploaded as separate documents with your application.

Instead of uploading material directly, you may provide links to material hosted on streaming platforms that do not limit access through financial subscription. To do this, copy the URL (the full address of where your material is hosted) into a Microsoft Word/OpenOffice Writer or a PDF document and upload it as a weblink-supporting document. While not an exclusive list, examples of acceptable sharing platforms include YouTube, Vimeo, Soundcloud and Bandcamp.

Please note that we will not accept links to the following sources:

- File-sharing sites – e.g. Google Drive, OneDrive
- Social-media platforms – e.g. Meta, Instagram
- Your personal website

Note: assessors will only view materials in the URL links that you provide. It is important that you check that any links in the document work **and** that they bring the viewer to the correct source to be able to access and view your supporting material.

Please do not flag your material as ‘private’ as it will not be accessible for the assessment. Change the settings on your video to ‘unlisted’ if you do not wish the application supporting material on your YouTube channel to be publicly viewable.

Naming files appropriately

Give all files that you intend to upload filenames that make it clear what they contain or represent – i.e. it should be clear from the filename whether the document is a CV, a sample text, or a review of previous work.

Please submit supporting documents in separate, appropriately named files.

The total combined limit for all supporting material uploaded with a single application is **40MB**.

2.4 Make your application online

To make your application online, you go through four main stages. Click **Save draft** at the end of each stage. You can come back to your application and revise it at any time before you finally submit it.

2.4.1 Choose a funding programme and download application form

To start a new application, click the **Make an application** button on your home page, and follow the prompts to choose the funding programme you wish to apply for and to give your

application a unique reference by which to identify it. At this stage you can also download the application form (if you have not already done so).

2.4.2 Request funding amount

At this stage specify the expenditure and income related to your proposal, and the amount of funding you are requesting. The **Amount requested** should equal the **Total expenditure** minus the **Total income**. The final figures you enter here should be the same as those you enter in section 3 of the application form and in your detailed budget.

2.4.3 Upload application form and supporting material

Follow the prompts to upload your completed application form, CV or CVs, detailed budget and any other required supporting material (see section **1.8 What supporting material MUST you submit with your application?**). You do not have to upload everything at the same time. You can save your application as a draft and come back to it later.

Note: if you have completed your application form as a **.docx** file and you are confident that your application form is filled in correctly (including typing inside the grey fields) but Online Services displays a message saying 'Cannot upload form', please try saving it as a **.doc** file and uploading it again.

2.4.4 Submit application

When you are satisfied that you have uploaded everything you need to support your application and ticked the declaration, click **Submit**.

Once submitted, your application cannot be amended. Do not submit your application until you are completely satisfied.

You should receive two emails. The first will be issued immediately your application is received by the Arts Council. The second may arrive a few minutes later and will contain your application number, which will be used in all correspondence relating to this application. **Note:** it is important that you contact onlineservices@artscouncil.ie if you **do not** receive the second confirmation email containing the application number.

3. Processing and assessment of applications

3.1 Overview

This section tells you about:

- How we process your application, including assessment
- The criteria we will use to assess your application
- Our scoring system.

The Arts Council considers all applications, makes decisions and communicates these to applicants in accordance with set procedures. The aim is to ensure that the system for making awards is fair and transparent. Our assessors are specialists in different artforms and arts-practice areas. If your application focuses on more than one artform or arts-practice area, other relevant assessors will assess your application.

3.2 The assessment process

All applications received are processed by the Arts Council as follows:

-
- 1 After you submit your application, you should receive two emails:
 - The first will be sent immediately and will acknowledge your application.
 - The second should arrive a few minutes later. It will contain your application number, which we will use in all correspondence about your application.

Note: these emails only mean that our online system recognises that you have submitted an application. They do not mean that your application is eligible to be assessed.

If you do not receive the email with your application number, contact onlineservices@artscouncil.ie

-
- 2 Your application is checked for eligibility. Please see section **1.9 Eligibility** above.

 - 3 In some cases, the arts area to which you have applied may not be the best fit for your proposal. In such a case, we will contact you and ask you if you are happy for us to move your application to a more appropriate arts team. You will then have a choice to have your application moved or for it to remain under the arts area to which you applied.

 - 4 Adviser(s) and/or staff assess and score the application and associated materials based on the criteria for assessment set out in **section 3.3** below.

 - 5 A joint assessment and internal moderation process takes place between all relevant teams.

 - 6 Staff recommend an application as shortlisted or not shortlisted.

 - 7 Shortlisted applications continue to panel.

 - 8 A peer panel reviews all shortlisted applications and associated materials, determines final scores and makes final decisions.

 - 9 Decisions are communicated in writing to applicants.

 - 10 Decisions are noted by Council
-

Time frame

The Arts Council expects to communicate decisions in relation to this scheme in September 2024.

3.3 Criteria – all artforms and arts practices

All eligible applications are assessed against criteria, each of which is described below.

Applications are assessed in a competitive context and in consideration of the available financial resources.

Please refer to section **1.8 What supporting material MUST you upload with your application?** and the artform/arts-practice notes in the appendix to these *Guidelines for Applicants*.

- **Artistic merit**

Here, we assess to what extent the proposal delivers on the Arts Council's core priority of artistic excellence. Please see the appendix to these *Guidelines for Applicants* for further guidance.

We will assess:

- The artistic quality of the proposed arts activity
- Previous reception of the proposed activity (where relevant)
- The track record and competence of the applicant and key artistic personnel involved in the proposal
- The artistic potential of the proposal
- The artistic ambition, innovation and excellence evidenced
- The relevance of the proposal to the artform and/or arts-practice context(s) in which the activity is proposed.

- **Public engagement**

Here, we assess to what extent the proposal delivers on the Arts Council's core priority of public engagement.

Increasing and enhancing public engagement are the main purposes of the Touring of Work Scheme. It is specifically designed to support proposals that extend and improve access to high-quality arts experiences across Ireland. We will assess how you show excellence, ambition and innovation in your process and approach to audience development; please refer to **Definitions for the purpose of this award** above.

We will assess the extent to which the application demonstrates:

- Understanding of intended audiences and/or participants
- That audience and/or engagement numbers will be optimised
- That audience and/or engagement reach will be optimised
- How a deepening of engagement with the intended audience may be achieved
- How a diversification of the intended audience may be achieved
- Competency and experience with regard to setting of realistic, but ambitious, targets, supported by a clear public-engagement strategy and/or PR and/or marketing plan

- The extent to which the application demonstrates innovation and competency in the above
- The relevance of the proposal to the artform and/or arts-practice context(s) in which the activity is proposed.

- **Strategic objectives and priorities**

By supporting the Touring of Work Scheme, the Arts Council aims to deliver on our core priorities of the artist and public engagement, but also on further Arts Council strategic objectives. These include the development and strengthening of the capacity of the arts sector and arts infrastructure, the delivery of our spatial and demographic policy goals, as laid out in our [Arts Council Spatial Policy](#), and our core organisation values of equality, diversity and inclusion, as laid out in our [EDI Policy](#).

In offering this scheme, the Arts Council will prioritise:

- Tours that are of high artistic quality
- Tours that demonstrate a clear focus on maximising and extending public engagement locally and nationally
- Tours that deliver work to new audiences or to audiences for whom access to the arts is difficult
- Tours that are of particular relevance to a schools audience
- Tours that demonstrate how support will extend the investment in work that has been successful with audiences in previous iterations
- A wide geographical spread of tours
- A wide range of genres/practices
- Tours of varying scale
- Tours that show how they create – or make use of – a network of venues and/or other partners and collaborators. This might include other artists, producers, promoters, arts organisations, festivals, local authorities, funders. etc. Your partners and collaborators should contribute to the success of your tour in artistic, audience and geographic/spatial terms.

- **Feasibility**

The assessment of feasibility considers the extent to which the application demonstrates capacity to deliver the proposed activity with the required administrative and technical expertise to ensure the highest standards of production management and delivery are achieved. We will assess this based on the information provided by you throughout your application form and in the mandatory supporting documentation.

This includes consideration of:

- The track record and competence demonstrated by personnel/and or organisations involved in producing, managing, administering and delivering the proposal
- The clarity of role agreement between those involved in the proposal (makers, producers, arts centres, etc.) with regard to artistic and public-engagement risk-taking
- The extent to which the application demonstrates collaboration and understanding of shared risk-taking

Touring of Work Scheme: Guidelines for Applicants

- The quality or supports and/or extent of involvement or commitment of identified project partners
- How the proposed budget meets the demands of the tour (in respect of fees, marketing, administration, logistics, technical)
- The quality and extent of other sources of income and/or in-kind supports
- The proposed timetable or schedule.

3.4 Joint-assessment and shortlisting process

A joint-assessment process across relevant teams will be used to support the shortlisting process. Assessors/Arts Council staff will use their professional arts expertise and judgement to assess applications and score (see note re. Internal Scoring Process) against each of the criteria. Their evaluation will be based on:

- The information you give in the application form and supporting material
- Their knowledge of your previous work
- Their knowledge of the general arts landscape
- The artform or arts-practice context in which you are working
- The competitive context for the award.

3.5 Internal scoring process

The Arts Council scoring system for the Touring of Work Scheme is intended to provide clarity to applicants as to how their application has been evaluated against the assessment criteria. The scores offer an indication as to the extent to which applications are deemed to have met each criterion.

Assessors use a scoring system from 0–6, where 6 is exceptional. They may award a score to the nearest 0.5 (half a point).

We describe the scores and what they mean below:

Numeric score	Word value	Explanation
6	Exceptional	The application addresses all relevant aspects of the criterion comprehensively and in an exemplary manner. There are no shortcomings whatsoever. This score is reserved for the very best elements of applications and will be used very sparingly.
5.5		The application addresses all relevant aspects of the criterion comprehensively and in an exemplary manner. There are no shortcomings whatsoever. This score is reserved for the very best elements of applications and will be used very sparingly.
5	Excellent	The application addresses all relevant aspects of the criterion convincingly and successfully. It provides all the information and

		evidence needed, and there are no concerns or areas of weakness.
4.5		At the top end of 'Very good'.
4	Very Good	The application addresses the criterion very well. It gives clear information on the evidence needed. Any concerns or areas of weakness are minor
3.5		At the top end of 'Good'.
3	Good	The application addresses the criterion well, although some improvements could be made. It gives information on nearly all of the evidence needed, although there are some gaps.
2.5		Between 'Sufficient' and 'Good'.
2	Sufficient	The application broadly addresses the criterion, but there are weaknesses. It gives relevant information, but there are several areas where detail is lacking or the information is unclear.
1.5		At the bottom end of 'Sufficient'.
1	Poor	The application provides very little evidence or relevant information in the context of the criterion, and is not compelling or persuasive in a competitive-funding context.
0	Inadequate	The application fails to address the criterion or cannot be judged due to missing or incomplete information.

A score of 1.5 or lower against any criterion will mean that an application will not be considered for funding. This means that, while an application may achieve an overall score higher than another application, it will not be funded if any one criterion is scored 1.5 or less.

After the scoring process, the relevant teams will attend a joint shortlisting and moderation meeting at which a shortlist will be drawn up (based on scores).

3.6 Peer panels

The purpose of peer-panel meetings is to allow for a diversity of expert views to inform the decision-making process. Peer panels normally consist of at least three external adjudicators with relevant artform and/or arts-practice expertise.

Each meeting is usually led by an Arts Council member acting as non-voting chair. Arts Council advisers and staff attend as required, and those involved in the initial assessment of applications are on hand to provide information as required. Panellists have access to all shortlisted applications and associated materials prior to the day of the meeting, at which point they review, discuss and score shortlisted applications. Following this, applications are ranked by score. In light of the competitive context and the available budget, it is likely that the Arts Council will be able to fund only a proportion of the applications received.

Scoring process

The panel is asked to score applications according to the following system:

A – Must Fund (10 points): this means that, in the view of the panel member, the application is deemed to have fully met the criteria for the award and merits funding on that basis, to the amount requested where possible.

B – Should Fund (8 points): this means that, in the view of the panel member, the application is deemed to have met the criteria to an extent sufficient to merit funding should resources allow.

C – Could Fund (5 points): this means that, in the view of the panel member, the application is deemed to have met the criteria, but to a lesser extent within the competitive context than other applications.

D – Not a Priority (2 points): this means that, in the view of the panel member, the application is deemed to have not met the criteria to an extent sufficient to merit funding.

Declaration of interest

In order to ensure fairness and equity in decision-making, a panel member must declare an interest where they have a close personal or professional link with the applicant or are linked in any way with the application. An 'interest' is either 'pecuniary' (e.g. a relationship involving money or payment) or 'non-pecuniary' (e.g. familial relationships, personal partnerships, or formal or informal business partnerships, etc.).

The interest must be declared as soon as the panellist becomes aware of it. This may be at the point when they are approached to sit on the panel (if the 'interest' is known at that stage) or following receipt of the list of applicants. Where an interest is declared, the panellist will not receive papers relating to that applicant and will be required to leave the room when the specific application is being reviewed. Where this situation arises, the chair will vote in lieu of the panellist.

Declaration of interest

In some instances a panellist may not realise that a conflict of interest exists until they receive and reviews the panel papers. In such instances the panellist must alert an Arts Council staff member or the panel chair as soon as they become aware that a conflict may exist.

In the event of two panellists declaring a conflict of interest for the same application, the chair will be part of the decision-making process for that specific application.

If the nominated panel chair has a conflict of interest, they must declare it in writing in advance of the meeting as soon as they become aware of it. In this instance, the head of team will chair the discussion on the conflicted application.

3.7 Outcome of applications

All applicants are informed by email about the outcome of their applications.

If your application is successful, you will be emailed a letter of offer detailing the amount of funding you have been awarded and the terms and conditions of the award. You will also be told how to go about drawing down your award.

The Arts Council receives a large volume of applications, and demand for funding always exceeds the available resources. Eligibility and compliance with application procedures alone do not guarantee receipt of an award.

You may request assessment feedback from Arts Council staff, regardless of the outcome of your application.

Unsuccessful applicants are not eligible to apply for another Arts Council award to undertake the same activity. If the Arts Council feels that the proposed activity would have been more suited to a different award programme, an exception may be made. In such circumstances you will be informed in writing.

Appeals

Applicants may appeal against a funding decision on the basis of an alleged infringement or unfair application of, or deviation from, the Arts Council's published procedures. If you feel that the Arts Council's procedures have not been followed, please see the appeals process at http://www.artscouncil.ie/en/fundInfo/funding_appeals.aspx or contact the Arts Council for a copy of the appeals-process information sheet.

Appendix 1

Individual artforms and arts-practices priorities

Additional to the general objectives and priorities of the scheme (as outlined in sections 1.2 and 3.3), specific artform and arts-practice guidance and priorities apply. These are offered to give you additional guidance and do not replace the eligibility criteria and mandatory supporting material required, as detailed above.

Architecture

In **Architecture**, we will prioritise applications that:

- Demonstrate ambition to show international or national architecture exhibitions that would not otherwise be seen by audiences in Ireland
- Are innovative and creative collaborations that demonstrate a clear curatorial concept for architecture – collaborators might include specialist architecture organisations, multidisciplinary arts centres or festivals, individual architects or architecture practices
- Enable the sharing of curatorial skills and mediating expertise – these might include a programme of mentoring/shadowing between collaborators
- Clearly demonstrate how the exhibition will engage, mediate and communicate to an audience
- Show evidence of technical expertise that ensures the highest standards of installation and presentation.

Note: Architecture Tours	Applicants for Architecture Tours must detail in their public-engagement strategy how they plan to communicate and mediate architecture to audiences.

Arts Participation

Organisations and individuals with a track record in, commitment to, or focus on participatory arts are encouraged to apply under this scheme.

Such applicants should select both **Arts Participation** and their primary artform in section 1.5 of the application form. Assessment of applications with a participatory arts focus will follow our joint-assessment process, led by the policies and priorities of both the Arts Participation and the primary artform team.

In the area of **Arts Participation**, we will prioritise applications that:

- Propose to tour high-quality, artistically ambitious work developed by a professional artist(s) working in collaboration with individuals or groups (non-arts professionals)

Clearly demonstrate high-quality processes for engagement and artistic collaboration.

- Music applicants may propose exceptional new work with a focus on touring models and, in these cases, the scheme can cover developmental costs and fees.

Note: Applicants for Music and Opera Tours **must** submit sound files or audio-visual files of previous work. Alternatively, you may provide links to material hosted on YouTube (www.youtube.com) or other file-sharing sites (e.g. Vimeo, SoundCloud) instead of uploading the material directly (see section 2.3 on file formats). These should not be hosted on your own or other parties’ websites.

- Propose to remount and tour productions that have already been successfully produced in terms of critical and audience response
