DO YOU LIKE ACTING?

If yes, then read on as Draiocht will be organising a one year drama project which will culminate in a production in Draiocht's Studio Space in November 2012.

How is this possible?Well, The Arts Council and Fingal County Council have funded a one year Theatre in Residence programme in Draiocht for 2011/2012 and we are delighted that Liam Halligan will take up this position in November 2011.

So who can participate? Anybody over the age of 15 can take part. In fact we are looking for a good mix of gender, age and backgrounds for this project so once you're 15 or over, then we'd like to talk to you.

When does it start? Liam will be meeting with groups/individuals from November 2011 to February 2012 to explain the Project in detail. 5 groups of 8/10 people will be formed and workshops will take place over March-May 2012.

What happens next? 15 people from those 5 groups will be chosen to go forward to work on the stage of the project. This will take the form of 6 workshops over June. Then Liam will work on his own over the summer to produce the final script.

What about the play? The 15 cast members will come back in September 2012 to rehearse the play. And this will be programmed into draiocht's Studio in November 2012.

What will it cost? Nothing but time and commitment.
