Which type of Friend best suits you?

At Mermaid, we are keen to offer you a membership that best matches your needs. There are four different Friends membership options to choose from: Friend, Family Friend, Frequent Friend and Corporate Friend.

As a **Friend** you are keen to support Mermaid Arts Centre and in return to receive deeper exposure to the arts. A Mermaid **Family Friend** perhaps best suits you if you have children or grandchildren that you wish to expose regularly to the arts. As a **Frequent Friend** you are a very regular attendee at Mermaid Arts Centre. You are keen to offer your support in helping the Centre to develop and you desire greater exposure to behind the scenes experiences and artists' studios. Corporate Friend membership will suit you if, as a local business, you are keen to help the arts in your community to flourish and you wish to offer your employees greater exposure to the arts.

Mermaid Arts Centre
